

PROSPECTUS

TELIA COMPANY AB (publ)

(incorporated as a company with limited liability in Sweden)

€12,000,000,000

Euro Medium Term Note Programme

Under this €12,000,000,000 Euro Medium Term Note Programme (the "**Programme**"), Telia Company AB (publ) (the "**Issuer**" or "**Telia Company**") may from time to time issue notes (the "**Notes**") denominated in any currency agreed between the Issuer and the relevant Dealer (as defined below).

The maximum aggregate nominal amount of all Notes from time to time outstanding will not exceed €12,000,000,000 (or its equivalent in other currencies calculated as described herein).

The Notes may be issued on a continuing basis to one or more of the Dealers and any additional Dealer appointed under the Programme from time to time, which appointment may be for a specific issue or on an ongoing basis (each a "**Dealer**" and together the "**Dealers**"). References in this Prospectus to the "**relevant Dealer**" shall, in the case of an issue of Notes being (or intended to be) subscribed by more than one Dealer, be to all Dealers agreeing to purchase such Notes.

Application has been made to the *Commission de Surveillance du Secteur Financier* (the "**CSSF**") in its capacity as competent authority under the Luxembourg Act dated 10 July 2005 on prospectuses for securities (the "**Prospectus Act 2005**") to approve this document as a base prospectus. The CSSF assumes no responsibility for the economic and financial soundness of the transactions contemplated by this base prospectus or the quality or solvency of the Issuer in accordance with Article 7(7) of the Prospectus Act 2005. Application has also been made to the Luxembourg Stock Exchange for Notes (other than Swedish Registered Notes, as defined below) issued under the Programme to be admitted to trading on the Luxembourg Stock Exchange's regulated market and to be listed on the Official List of the Luxembourg Stock Exchange. References in this Prospectus to Notes being "**listed**" (and all related references) shall mean that such Notes have been admitted to trading on the Luxembourg Stock Exchange's regulated market and have been admitted to the Official List of the Luxembourg Stock Exchange. The Luxembourg Stock Exchange's regulated market is a regulated market for the purposes of the Markets in Financial Instruments Directive (Directive 2014/65/EU).

Notice of the aggregate nominal amount of Notes, interest (if any) payable in respect of Notes, the issue price of Notes and certain other information which is applicable to each Tranche (as defined under "*Terms and Conditions of the Notes*") of Notes will be set out in final terms (the "**Final Terms**") which, with respect to Notes to be listed on the Luxembourg Stock Exchange, will be filed with the CSSF. Copies of Final Terms in relation to Notes to be listed on the Luxembourg Stock Exchange will also be published on the website of the Luxembourg Stock Exchange (www.bourse.lu). This Prospectus will be valid for a period of 12 months from the date hereof.

The Programme provides that Notes may be listed and/or admitted to trading, as the case may be, on such other or further stock exchanges or markets as may be agreed between the Issuer and the relevant Dealer. The Issuer may also issue unlisted Notes and/or Notes not admitted to trading on any market.

The Notes of each Tranche (except (i) Notes which are to be cleared through the Swedish Central Securities Depository & Clearing Organisation, Euroclear Sweden AB and which are in registered form in accordance with the Swedish Financial Instruments Accounts Act (SFS 1998:1479) ("**Swedish Registered Notes**" and "**Euroclear Sweden**" respectively) and (ii) Notes which are to be cleared through Verdipapirsentralen ASA, the Norwegian central securities depository ("**VPS**") and which are in uncertificated and dematerialised book entry form ("**VPS Notes**")) will initially be represented by either a temporary global Note or, if so specified in the applicable Final Terms, a permanent global Note, which will be deposited on the issue date thereof with a common depository, or common safekeeper, as the case may be, on behalf of Euroclear Bank SA/NV ("**Euroclear**") and Clearstream Banking S.A. ("**Clearstream, Luxembourg**"), and/or any other agreed clearance system. A temporary global Note will be exchangeable, as specified in the applicable Final Terms, for either a permanent global Note or Notes in definitive form, in each case upon certification as to non-U.S. beneficial ownership as required by U.S. Treasury regulations. The applicable Final Terms will specify that a permanent global Note either (i) is exchangeable (in whole but not in part) for definitive Notes upon not less than 60 days' notice or (ii) is only exchangeable (in whole but not in part) for definitive Notes following the occurrence of an Exchange Event (as defined under "*Form of the Notes*"), all as further described in "*Form of the Notes*" below. Swedish Registered Notes and VPS Notes will be issued in uncertificated and dematerialised book entry form as more fully described in "*Form of the Notes*" below.

The Issuer may agree with any Dealer that Notes may be issued in a form not contemplated by the Terms and Conditions of the Notes herein, in which event a supplement to the Prospectus or a new Prospectus, if appropriate, will be made available which will describe the effect of the agreement reached in relation to such Notes.

The Issuer has been rated BBB+ for long term borrowings and A-2 for short-term borrowings by S&P Global Ratings Europe Limited ("**Standard & Poor's**") and Baa1 for long term borrowings and P-2 for short-term borrowings by Moody's Investors Service España, S.A ("**Moody's**"). The Programme has been rated (P)Baa1 by Moody's and BBB+ by Standard & Poor's. Each of Moody's and Standard & Poor's is established in the European Union and is registered under Regulation (EC) No. 1060/2009 (as amended) (the "**CRA Regulation**"). As such each of Moody's and Standard & Poor's is included in the list of credit rating agencies published by the European Securities and Markets Authority on its website (at <http://www.esma.europa.eu/page/List-registered-and-certified-CRAs>) in accordance with the CRA Regulation. Notes issued under the Programme may be rated or unrated by any one or more of the rating agencies referred to above. Where a Tranche of Notes is rated, such rating will be disclosed in the Final Terms and will not necessarily be the same as the rating assigned to the Programme by Moody's and Standard & Poor's. A security rating is not a recommendation to buy, sell or hold securities and may be subject to suspension, reduction or withdrawal at any time by the assigning rating agency.

Amounts payable under the Notes may be calculated by reference to one or more "benchmarks" (the "**Programme Benchmarks**") for the purposes of Regulation (EU) No. 2016/1011 of the European Parliament and of the Council of 8 June 2016 (the "**Benchmarks Regulation**"), as specified in the applicable Final Terms. In this case, a statement will be included in the applicable Final Terms as to whether or not the relevant administrator of the relevant Programme Benchmark is included in ESMA's register of administrators under Article 36 of the Benchmarks Regulation at that time. As at the date of this Prospectus: (i) the administrator of LIBOR is included in ESMA's register of administrators under Article 36 of the Benchmarks Regulation; and (ii) the administrators of EURIBOR, NIBOR and STIBOR are not included in ESMA's register of administrators under Article 36 of the Benchmarks Regulation. As far as the Issuer is aware, the transitional provisions in Article 51 of the Benchmarks Regulation apply, such that European Money Markets Institute (as administrator of EURIBOR) is not currently required to obtain authorisation or registration (or, if located outside the European Union, recognition, endorsement or equivalence).

IMPORTANT INFORMATION

This Prospectus comprises a base prospectus for the purposes of Article 5.4 of European Council Directive 2003/71/EC, as amended or superseded, and includes any relevant implementing measure in a relevant Member State of the European Economic Area (the "Prospectus Directive").

The Issuer accepts responsibility for the information contained in this Prospectus and the Final Terms for each Tranche of Notes issued under the Programme. To the best of the knowledge of the Issuer (having taken all reasonable care to ensure that such is the case) the information contained in this Prospectus is in accordance with the facts and does not omit anything likely to affect the import of such information.

This Prospectus is to be read in conjunction with all documents which are deemed to be incorporated herein by reference (see "Documents Incorporated by Reference" below). This Prospectus shall be read and construed on the basis that such documents are incorporated in and form part of this Prospectus.

No representation, warranty or undertaking, express or implied, is made and no responsibility or liability is accepted by the Dealers as to the accuracy or completeness of the information contained in this Prospectus or any other information provided by the Issuer in connection with the Programme or the Notes or their distribution. The statements made in this paragraph are made without prejudice to the responsibility of the Issuer under the Programme.

No person is or has been authorised to give any information or to make any representation not contained in or not consistent with this Prospectus or any other information supplied in connection with the Programme or the Notes and, if given or made, such information or representation must not be relied upon as having been authorised by the Issuer or any of the Dealers.

Neither this Prospectus nor any other information supplied in connection with the Programme or any Notes (i) is intended to provide the basis of any credit or other evaluation or (ii) should be considered as a recommendation or constituting an invitation or offer by the Issuer or any of the Dealers that any recipient of this Prospectus or any other information supplied in connection with the Programme or any Notes should purchase any Notes. Each investor contemplating purchasing any Notes should make its own independent investigation of the financial condition and affairs, and its own appraisal of the creditworthiness, of the Issuer. Neither this Prospectus nor any other information supplied in connection with the Programme or the issue of any Notes constitutes an offer by or on behalf of the Issuer or any of the Dealers to any person to subscribe for or to purchase any Notes.

The delivery of this Prospectus does not at any time imply that the information contained herein concerning the Issuer is correct at any time subsequent to the date hereof or that any other information supplied in connection with the Programme is correct as of any time subsequent to the date indicated in the document containing the same. The Dealers expressly do not undertake to review the financial condition or affairs of the Issuer during the life of the Programme. Investors should review, inter alia, the documents deemed incorporated herein by reference when deciding whether or not to purchase any Notes.

The distribution of this Prospectus and the offer or sale of Notes may be restricted by law in certain jurisdictions. The Issuer and the Dealers do not represent that this Prospectus may be lawfully distributed, or that any Notes may be lawfully offered, in compliance with any applicable registration or other requirements in any such jurisdiction, or pursuant to an exemption available thereunder, or assume any responsibility for facilitating any such distribution or offering. In particular, no action has been taken by the Issuer or the Dealers which is intended to permit a public offering of any Notes or distribution of this Prospectus in any jurisdiction where action for that purpose is required. Accordingly, no Notes may be offered or sold, directly or indirectly, and neither this Prospectus nor any advertisement or other offering material may be distributed or published in any jurisdiction, except under circumstances that will result in compliance with any applicable laws and regulations and the Dealers have represented that all offers and sales by them will be made on the same terms.

Persons into whose possession this Prospectus or any Notes come must inform themselves about, and observe, any such restrictions. In particular, there are restrictions on the distribution of this Prospectus and the offer or sale of Notes in the United States, the European Economic Area, the United Kingdom, Japan and Belgium (see "Subscription and Sale" below).

IMPORTANT – EEA RETAIL INVESTORS – If the Final Terms in respect of any Notes includes a legend entitled "Prohibition of Sales to EEA Retail Investors", the Notes are not intended to be offered, sold or otherwise made available to and should not be offered, sold or otherwise made available to any retail investor in the European Economic Area ("**EEA**"). For these purposes, a retail investor means a person who is one (or more) of: (i) a retail client as defined in point (11) of Article 4(1) of Directive 2014/65/EU (as amended, "**MiFID II**"); (ii) a customer within the meaning of Directive 2002/92/EC (as amended or superseded, the "**Insurance Mediation Directive**"), where that customer would not qualify as a professional client as defined in point (10) of Article 4(1) of MiFID II; or (iii) not a qualified investor as defined in the Prospectus Directive. Consequently no key information document required by Regulation (EU) No 1286/2014 (as amended, the "**PRIIPs Regulation**") for offering or selling the Notes or otherwise making them available to retail investors in the EEA has been prepared and therefore offering or selling the Notes or otherwise making them available to any retail investor in the EEA may be unlawful under the PRIIPs Regulation.

MiFID II product governance / target market – The Final Terms in respect of any Notes will include a legend entitled "MiFID II product governance" which will outline the target market assessment in respect of the Notes and which channels for distribution of the Notes are appropriate, subject to the distributor's suitability and appropriateness obligations under MiFID II, as applicable. Any person subsequently offering, selling or recommending the Notes (a "**distributor**") should take into consideration the target market assessment; however, a distributor subject to MiFID II is responsible for undertaking its own target market assessment in respect of the Notes (by either adopting or refining the target market assessment) and determining appropriate distribution channels, subject to the distributor's suitability and appropriateness obligations under MiFID II, as applicable.

A determination will be made in relation to each issue about whether, for the purpose of the Product Governance rules under EU Delegated Directive 2017/593 (the "**MiFID Product Governance Rules**"), any Dealer subscribing for any Notes is a manufacturer in respect of such Notes, but otherwise neither the Arranger nor the Dealers nor any of their respective affiliates will be a manufacturer for the purpose of the MiFID Product Governance Rules.

The Notes may not be a suitable investment for all investors. Each potential investor in the Notes must determine the suitability of that investment in light of its own circumstances. In particular, each potential investor may wish to consider, either on its own or with the help of its financial and other professional advisers, whether it:

- (i) has sufficient knowledge and experience to make a meaningful evaluation of the Notes, the merits and risks of investing in the Notes and the information contained or incorporated by reference in this Prospectus or any applicable supplement;
- (ii) has access to, and knowledge of, appropriate analytical tools to evaluate, in the context of its particular financial situation, an investment in the Notes and the impact the Notes will have on its overall investment portfolio;
- (iii) has sufficient financial resources and liquidity to bear all of the risks of an investment in the Notes, including Notes where the currency for principal or interest payments is different from the potential investor's currency;
- (iv) understands thoroughly the terms of the Notes and is familiar with the behaviour of financial markets; and

- (v) *is able to evaluate possible scenarios for economic, interest rate and other factors that may affect its investment and its ability to bear the applicable risks.*

Legal investment considerations may restrict certain investments. The investment activities of certain investors are subject to legal investment laws and regulations, or review or regulation by certain authorities. Each potential investor should consult its legal advisers to determine whether and to what extent (1) Notes are legal investments for it, (2) Notes can be used as collateral for various types of borrowing and (3) other restrictions apply to its purchase or pledge of any Notes. Financial institutions should consult their legal advisers or the appropriate regulators to determine the appropriate treatment of Notes under any applicable risk-based capital or similar rules.

*The Notes have not been and will not be registered under the United States Securities Act of 1933, as amended, (the "**Securities Act**") and are subject to U.S. tax law requirements. Subject to certain exceptions, Notes may not be offered, sold or delivered within the United States or to, or for the account or benefit of, U.S. persons (see "Subscription and Sale" below).*

*All references in this document to "**U.S. dollars**" refer to the currency of the United States of America, those to "**Swedish Kronor**", "**SwKr**" and "**SEK**" refer to the currency of Sweden, those to "**Sterling**" and "**£**" refer to pounds sterling, those to "**NOK**" refer to the currency of the Kingdom of Norway and those to "**EUR**", "**€**" and "**euro**" refer to the currency introduced at the start of the third stage of European economic and monetary union pursuant to the Treaty on the Functioning of the European Union, as amended.*

In connection with the issue of any Tranche of Notes, the Dealer or Dealers (if any) named as the Stabilising Manager(s) (or persons acting on behalf of any Stabilising Manager(s)) in the applicable Final Terms may over-allot Notes or effect transactions with a view to supporting the market price of the Notes at a level higher than that which might otherwise prevail. However, stabilisation may not necessarily occur. Any stabilisation action may begin on or after the date on which adequate public disclosure of the terms of the offer of the relevant Tranche of Notes is made and, if begun, may cease at any time, but it must end no later than the earlier of 30 days after the issue date of the relevant Tranche of Notes and 60 days after the date of the allotment of the relevant Tranche of Notes. Any stabilisation action or over-allotment shall be conducted by the relevant Stabilising Manager(s) (or persons acting on behalf of any Stabilising Manager(s)) in accordance with all applicable laws and rules.

Where a Series of Notes is rated, such rating will be disclosed in the applicable Final Terms and will not necessarily be the same as the ratings assigned to the Programme. Selling Restrictions:

There are selling restrictions in relation to the United States, the EEA, the United Kingdom, Japan and Belgium, and such other restrictions as may be required in connection with the offering and sale of a particular Tranche of Notes. See "*Subscription and Sale*" below.

RISK FACTORS

In purchasing Notes, investors assume the risk that Telia Company may become insolvent or otherwise be unable to make all payments due in respect of the Notes. There is a wide range of factors which individually or together could result in Telia Company becoming unable to make all payments due. Telia Company has an established risk management framework in place to regularly identify, analyse, assess and report business, financial as well as ethics and sustainability risks and uncertainties, and to mitigate such risks when appropriate. A risk universe consisting of four categories and over thirty risk areas are used to aggregate and categorise risks identified across the organisation within the risk management framework. Risk management is an integrated part of Telia Company's business planning process and monitoring of business performance.

However, it is not possible to identify all such factors or to determine which factors are most likely to occur, as Telia Company may not be aware of all relevant factors and certain factors which it currently deems not to be material may become material as a result of the occurrence of events outside Telia Company's control. Telia Company has identified in this Prospectus a number of factors which could materially adversely affect its business and ability to make payments due.

In addition, factors which are material for the purpose of assessing the market risks associated with Notes issued under the Programme are also described below.

*References in this Prospectus to "**Telia Company**" shall be construed as references to the Issuer.*

Prospective investors should also read the detailed information set out elsewhere in this Prospectus and reach their own views prior to making any investment decision.

Factors that may affect Telia Company's ability to fulfil its obligations under Notes issued under the Programme

Telia Company operates in a broad range of geographical product and service markets in the highly competitive and regulated telecommunications industry. As a result, Telia Company is subject to a variety of risks and uncertainties. Telia Company has defined risk as anything that could have a material adverse effect on the achievement of Telia Company's goals. Risks can be threats, uncertainties or lost opportunities relating to Telia Company's current or future operations or activities. Set forth below is a description of some of the factors that may affect its business, brand perception, financial position and results of operations.

Industry and market conditions

Global financial markets unrest

Changes in the global financial markets are difficult to predict. Telia Company strives to have a strong balance sheet and operates in a relatively non-cyclical or late-cyclical industry. However, a severe or long-term financial crisis by itself or by triggering of a downturn in the economy of one or more countries in which Telia Company operates would have an impact on customers and may have a negative impact on growth and results of operations through reduced telecom spending.

The maturity schedule of Telia Company's loan portfolio is aimed to be evenly distributed over several years, and refinancing is expected to be made by using uncommitted open-market debt financing programmes and bank loans, alongside the company's free cash flow. In addition, Telia Company has committed bank credit lines that are deemed to be sufficient and may be utilised if the open-market refinancing conditions are poor. However, Telia Company's cost of funding might be higher should there be unfavourable changes in the global financial markets.

Competition and price pressure

Telia Company's industry is undergoing an historical transformation and Telia Company is subject to new and substantially increasing competition and price pressure. Transition to new business models in the information and communication technology ("ICT") industry may lead to structural changes and different competitive dynamics.

Failure to anticipate and respond to industry dynamics, and to drive a change agenda to meet mature and developing demands in the marketplace, may affect Telia Company's customer relationships, service offerings and position in the value chain. Competition from a variety of sources, including current market participants, new entrants and new products and services, may also adversely affect Telia Company's results of operations.

Regulation and licenses

Telia Company operates in a highly regulated industry, and regulations impose significant limits on Telia Company's flexibility to manage its business. In a number of countries, Telia Company entities are designated as a party with significant market power in one or several telecom submarkets. As a result, Telia Company is required to provide certain services on regulated terms and prices, which may differ from the terms on which it would otherwise have provided those services. Effects from regulatory intervention may be both retroactive and prospective.

Changes in regulation or government policy affecting Telia Company's business activities, as well as decisions by regulatory authorities or courts, including granting, amending or revoking of telecom licences and spectrum permits, may adversely affect Telia Company's ability to carry out business and, in turn, its results of operations.

Operations and strategic activities

Impairment losses and restructuring charges

Factors generally affecting the telecom markets as well as changes in the economic, regulatory, business or political environment may negatively change management's expectation of future cash flows attributable to certain assets. Telia Company may then be required to recognize asset impairment losses, including but not limited to goodwill and fair value adjustments recorded in connection with historical or future acquisitions.

Significant adverse changes in the economic, regulatory, business or political environment, as well as in Telia Company's business plans, may affect Telia Company's financial position and results of operations, and any impairment losses or restructuring charges may adversely affect Telia Company's ability to pay dividends.

Investments in business transformation and future growth

Telia Company is currently investing in business transformation and future growth through, for example, initiatives to increase competitiveness and reduce cost as well as to improve capacity and access. In order to attract new customers, Telia Company has previously engaged in start-up operations and may decide to do so also in the future, which would require additional investments and expenditure in the build-up phase. Further, Telia Company normally has to pay fees to acquire new telecom licences and spectrum permits or to renew or maintain existing ones.

Success in business transformation and growth will depend on a variety of factors beyond Telia Company's control, including the cost of acquiring, renewing or maintaining telecom licenses and spectrum permits, the cost of new technology, availability of new and attractive services, the costs

associated with providing these services, the timing of their introduction, the market demand and prices for such services, and competition. Failing to reach the targets set for business transformation, customer attraction and future growth may negatively impact the results of operations.

Customer service and network quality

Telia Company's ability to deliver high-quality, secure services and networks is fundamental to its customers and critical for its commercial success. Cyber-attacks aimed directly at Telia Company and its customers are becoming more sophisticated and threaten the loss of data or damage to its equipment or infrastructure. Service interruption can also result from physical threats like extreme weather conditions, technological threats such as equipment failure or disruptions in its supply chain.

Failure to meet Telia Company's customers' quality requirements and expectations may have an adverse impact on customer retention and may also result in missed opportunities to grow and stay ahead of its competition. If its protective measures fail to prevent or contain a major continuity or security incident Telia Company might incur regulatory fines, contract penalties, significant financial loss, damage to Telia Company's reputation and loss of market share.

Ability to recruit and retain skilled employees

People are at the core of everything that Telia Company does and their talents enable Telia Company to execute on its strategy. The demand and competition for talents in the ICT sector is becoming increasingly challenging. In order to secure the right talent Telia Company needs to attract, recruit, and retain highly skilled employees.

Failure to recruit and retain necessary skilled employees may impact Telia Company's ability to develop new or high growth business areas and thereby deliver on its strategy.

Lack of controlling interest in associated companies and joint operations

Telia Company conducts some of its activities through associated companies, the most significant being Turkcell in Turkey, in which Telia Company has neither full ownership nor a controlling interest (though it still has significant influence over the conduct of these businesses).

Telia Company also has holdings in Latvijas Mobilais Telefons SIA and SIA Lattelecom, the leading Latvian mobile and fixed operators. In turn, these associated companies own holdings in numerous other companies. Under the governing documents for certain of these associated companies, Telia Company's partners have control over or share control of key matters such as the approval of business plans and budgets, as well as protective rights in matters such as the timing, amount and approval of dividends, changes in the ownership structure and other shareholder related matters.

The risk of actions outside Telia Company's or its associated companies' control and adverse to their interests is inherent in associated companies and jointly controlled entities.

The financial performance of these associated companies may have a significant impact on Telia Company's short- and long-term results.

Sustainability

Protection of children

Children and young people are active users of Telia Company's services. However, children are particularly vulnerable to online threats such as cyber bullying and inappropriate content. Telia Company's services may also be used for distributing or accessing child sexual abuse material.

Telia Company may indirectly be complicit in violating children's rights if products and services (including network filters) are not properly assessed. Actual or perceived failure to create a safe online experience for children and young people may negatively affect brand perception, resulting in loss of business.

Freedom of expression and surveillance privacy

The telecommunications industry faces high risks related to the freedom of expression and privacy of users. Risks relate to how national laws and regulations on surveillance of communications or shutdown of networks can be overly broad in ways that violate human rights, and actual or perceived complicity by ICT companies in violations linked to major and problematic government requests. Telia Company may be legally required to comply with such requests and, like other operators, only have limited ability to investigate, challenge or reject such (often strictly confidential) requests.

Actual or perceived failure in respecting freedom of expression and privacy may first and foremost damage rights holders by limiting their freedom of expression and surveillance privacy. Actual or perceived failure may also damage the perception of Telia Company, leading to exclusion from procurement or institutional investment processes. Network shutdowns and blocking limits core business, which may negatively affect revenues.

Customer privacy

Ensuring the privacy of its customers' data is vital for Telia Company's business. Vast amounts of data are generated in and through Telia Company's services and networks and Telia Company has a responsibility to protect this data from misuse, loss, unauthorised disclosure or damage. New ways of connecting and data-driven business models increase the complexity of understanding and retaining control over how data is collected and used.

Actual or perceived issues related to data network integrity, data security and customer privacy might adversely impact the privacy rights of users, which may lead to an unfavourable perception of how Telia Company handles these matters, which in turn may adversely impact its business. Not meeting national and EU legislation may give rise to significant financial penalties.

Corruption and unethical business practices

Some of the countries in which Telia Company operates are ranked as having high levels of corruption. The telecommunications industry is particularly susceptible to a range of corrupt practices as it requires government approvals and necessitates large investments. Key areas where the threat of corruption is significant include the licensing process, market regulation and price setting, the supply chain, and third-party management and customer services.

Actual or perceived corruption or unethical business practices may damage the perception of Telia Company and result in financial penalties and debarment from procurement and institutional investment processes. They may significantly impact financial results. Ongoing disposal processes may in themselves pose risks of corruption, fraud and unethical business practices. Corruption is also linked to higher risks of human rights violations.

Responsible sourcing

Telia Company relies on a vast number of suppliers and sub-suppliers, many of which are located in countries or industries with challenges in upholding ethical business practices, human and labour rights, health and safety and environmental protection. Despite efforts to conduct due diligence and onsite audits, suppliers and sub-suppliers may be in violation of Telia Company's supplier requirements and/or national and international laws, regulations and conventions.

Any failure or perceived failure of Telia Company's suppliers to adhere to these rules and regulations may damage customers' or other stakeholders' perception of Telia Company. Violations of such laws and regulations puts suppliers and sub-suppliers at risk of needing to limit or terminate their operations, which may negatively affect how Telia Company is able to deliver its services. Severe violations may lead to Telia Company needing to seek new suppliers, which may negatively impact sourcing costs and delivery times.

Labour practices

The Nordic and Baltic countries where most of Telia Company's employees are employed are considered to have a very low risk of labour rights violations. Telia Company's employees work mainly in office or retail environments where health and safety risks relate mainly to psychosocial well-being and ergonomics. However, there are increasing expectations on active measures to increase diversity, particularly gender diversity, and to ensure non-discrimination and equal opportunity for all employees. Restructuring and lay-offs may have significant impacts on affected individuals.

Failure to maintain a healthy and safe work environment may lead to increasing sickness absence and more accidents and injuries, incurring increased costs and potential loss of critical competence. Failing to maintain constructive relations with labour unions or employee representatives may lead to strikes or other conflict measures. Discrimination, harassment or other violations of labour rights may lead to fines and would likely have a negative impact on employee engagement and Telia Company's reputation as an employer.

Legal, governmental and administrative proceedings

A number of investigations have been conducted in recent years in respect of Telia Company's operations in Eurasia by authorities in Sweden, the Netherlands and the United States.

On 21 September 2017, Telia Company announced that a global settlement had been reached with the US Department of Justice ("**DoJ**"), Securities and Exchange Commission ("**SEC**") and the Dutch Public Prosecution Service (Openbaar Ministerie, "**OM**") relating to previously disclosed investigations regarding historical transactions in Uzbekistan. The US and Dutch authorities concluded that Telia Company's conduct was in violation of the US Foreign Corrupt Practices Act and Dutch legislation and that corrupt payments of approximately USD 330 million were made by Telia Company. As part of the settlements, Telia Company agreed to pay fines and disgorgements to the SEC, DoJ and OM in an aggregate amount of USD 965 million (SEK 7.7 billion at that point in time), of which USD 757 million (SEK 6,129 million) was paid during the third quarter of 2017. In addition, Telia Company's subsidiary in Uzbekistan, Coscom LLC, simultaneously entered a guilty plea with the DoJ. The disgorgement amount will be offset by up to USD 208.5 million against any future disgorgement obtained by the Swedish Prosecutor. Based on Telia Company's remediation and the state of its compliance programme, the authorities determined that an independent compliance monitor was unnecessary.

Telia Company has committed to continue to cooperate with the authorities in any other related investigation. Further, Telia Company has committed, during a three-year period, to report any potential corruption and to continue to enhance its compliance programme and internal controls. If Telia Company does not fulfill its commitments, an extension of the term may be imposed for up to one year. The authorities have agreed not to bring any criminal or civil case against Telia Company in the future based on historical events. The global settlement also brings an end to all known corruption related investigations or inquiries into Telia Company. However, the settlement does not provide any protection against prosecution for any future conduct by Telia Company.

The bank guarantee that was requested by the Dutch authorities from Telia Company of EUR 10 million as collateral for any financial claims against one of its Dutch subsidiaries has been released as part of the global settlement.

On 22 September 2017, the Swedish Prosecution Authority announced that it had decided to prosecute a number of former Telia Company employees. The authority also decided to initiate legal proceedings against Telia Company for a disgorgement. The disgorgement amount in the Swedish proceedings is already included in the global settlement of USD 965 million that Telia Company has reached with US and Dutch authorities. The Swedish prosecutor is not seeking a corporate fine against Telia Company (which under the Swedish Criminal Act can be levied up to a maximum amount of SEK 10 million per instance). With regard to the Swedish Prosecution Authority's decision, Telia Company will continue to consider all possibilities to protect its rights and interests.

The Swedish prosecutor made a public statement in May 2016 that it had decided not to investigate any other of Telia Company's operations in Eurasia.

On 15 February 2019, the Stockholm District Court gave its verdict in the Uzbekistan bribery case, and the former Telia Company employees were acquitted from all charges and the forfeiture claim against Telia Company was dismissed. Telia Company's involvement in this court case has been about which country the disgorgements from the Uzbek business will be paid to – the Netherlands, Sweden or the US. The prosecutor appealed the verdict, but the appeal has subsequently been withdrawn and the Stockholm District Court has decided to close the case. This meant that USD 208.5 million fell to be paid to OM. This payment was made on 19 March 2019. The amount paid will not have any additional net income effect for Telia Company since it was included in the global settlement that Telia Company reached in 2017 to pay fines and disgorgements in an aggregate amount of USD 965 million to the concerned authorities regarding historical transactions in Uzbekistan.

There is, however, always a risk that actions may be taken by the police, prosecution or regulatory authorities in other jurisdictions against Telia Company's operations or transactions, or against third parties, whether they be Swedish or non-Swedish individuals or legal entities, and that this might directly or indirectly harm Telia Company's business, results of operations, financial position, cash flows or brand reputation.

Environment and climate change

Telia Company's own operations and its value chain generate negative environmental impacts, particularly greenhouse gas emissions and electronic waste. There is increasing pressure from customers, policy-makers and others to manage these negative impacts through, for example, increased resource efficiency, using renewable energy and adopting circular business models. Failure to effectively manage any such negative impacts may have an adverse effect on, among other things, Telia Company's reputation. Climate change mitigation and adaptation measures are becoming increasingly important to implement as the world is not on a trajectory to sufficiently limit activities that exacerbate climate change, and the effects of climate change such as more extreme weather are becoming increasingly impactful. Natural resource scarcity has increased industry competition, particularly over rare minerals used in consumer and network hardware.

Natural resource scarcity may lead to increases in the cost of network equipment and other hardware such as mobile devices. Increasing energy prices and greenhouse gas emissions taxation may lead to higher operational expenses. Climate change adaptation and mitigation activities, such as additional capacity and redundancy to ensure network quality because of more extreme weather may drive the need for additional investments.

Actions by the largest shareholder

As of 31 March 2019, the Swedish State held 37.3 per cent. of Telia Company's outstanding shares. Accordingly, the Swedish State, acting alone, may have the power to influence any matters submitted for a vote of shareholders. The interest of the Swedish State in deciding these matters could be different from the interests of Telia Company's other shareholders.

Financial risk management

Telia Company is exposed to financial risks such as credit risk, liquidity risk, currency risk, interest rate risk, financing risk and pension obligation risk. Financial risk management is centralised in the Group Treasury unit. Failure to effectively manage and hedge these financial risks could have a negative impact on Telia Company's financial position and results of operations.

Credit risk

The credit risk with respect to Telia Company's trade receivables is diversified geographically and among a large number of customers, both private individuals and companies in various industries. Credit losses in relation to consolidated net sales were 0.8 per cent. in 2018 (0.6 per cent. in 2017).

Liquidity risk

Telia Company manages the liquidity risk by depositing its surplus liquidity in banks or investing it in short-term interest-bearing instruments with good credit ratings. In addition to available cash, Telia Company has committed revolving credit facilities and overdraft facilities. In total, the available unutilised amount under committed facilities was approximately SEK 17 billion at year end 2018.

Currency risk

Telia Company's operational currency transaction exposure is not significant. Telia Company's conversion exposure, however, is significant. Telia Company does not normally hedge its conversion exposure, however there is a mandate in the financial policy to use net investment hedging. At year-end 2018, the conversion exposure amounted to SEK 81,487 million (SEK 71,634 million at year end 2017). Weakening of the Swedish Krona by ten percentage points against all currencies in which Telia Company has conversion exposure would have had a positive impact of approximately SEK 8.1 billion on the group's equity as of 31 December 2018.

Interest rate risk

Telia Company manages interest rate risk by aiming to balance the estimated running cost of borrowing and the risk of significant negative impact on earnings, should there be a sudden, major change in interest rates. Telia Company's policy is that the duration of interest of the debt portfolio should be from one year to five years.

Financing risk

By having most of its borrowings with a longer maturity than the duration of interest, Telia Company is able to obtain the desired interest rate risk without having to assume a high financing risk. In order to further reduce the financing risk, Telia Company aims to spread loan maturity dates over a longer period.

Pension obligation risk

Telia Company has a significant amount of pension obligations, with a net present value of SEK 27,410 million as of 31 December 2018 (SEK 25,984 million at year end 2017). Telia Company maintains pension funds to secure these obligations, with plan assets amounting to SEK 27,176 million based on market values at year end 2018 (SEK 27,718 million at year end 2017). The actuarial calculation of pension obligations is based on three principal assumptions: discount rate, annual adjustments to pensions (inflation rate) and longevity. The sensitivity of the pension obligations to changes in the principal assumptions is as follows:

	Change in assumption (p.p.)	Impact on pension obligations (SEK in millions)
Discount rate	+0.50 / -0.50	-2,396 / +2,675
Annual adjustments to pensions	+0.50 / -0.50	+2,632 / -2,384
Longevity	+1 year	+1,373

Financial reporting risks

The reporting of Telia Company's results of business operations and financial condition is based on internal and external financial reporting, which has to be timely, reliable, correct, and complete. Internal controls over financial reporting are an integral part of Telia Company's corporate governance. It includes methods and procedures to safeguard the group's assets, ensure and control the reliability and correctness of financial reporting in accordance with applicable legislation and guidelines, improve operational efficiency and control the level of risk in the business operations.

The management of financial reporting risks is described in more detail in Telia Company's corporate governance statement. The corporate governance statement, including the description of internal controls, forms part of the official annual and sustainability report and has been examined by the external auditors.

Factors which are material for the purpose of assessing the market risks associated with Notes issued under the Programme

Risks related to the structure of a particular issue of Notes

A wide range of Notes may be issued under the Programme. A number of these Notes may have features which contain particular risks for potential investors. Set out below is a description of the most common such features:

Risks applicable to all Notes

Notes subject to optional redemption by the Issuer

An optional redemption feature of Notes is likely to limit their market value. During any period when the Issuer may elect to redeem Notes, the market value of those Notes generally will not rise substantially above the price at which they can be redeemed. This also may be true prior to any redemption period.

The Issuer may be expected to redeem Notes when its cost of borrowing is lower than the interest rate on the Notes. At those times, an investor generally would not be able to reinvest the redemption proceeds at an effective interest rate as high as the interest rate on the Notes being redeemed and may only be able to do so at a significantly lower rate. Potential investors should consider the reinvestment risk in light of other investments available at that time.

Fixed/Floating Rate Notes

Fixed/Floating Rate Notes are Notes which bear interest at a rate that converts from a fixed rate to a floating rate, or from a floating rate to a fixed rate. Such a feature to convert the interest basis, and any conversion of the interest basis, may affect the secondary market in, and the market value of, such Notes as the change of interest basis may result in a lower interest return for Noteholders. Where the Notes convert from a fixed rate to a floating rate, the spread on the Fixed/Floating Rate Notes may be less favourable than then prevailing spreads on comparable Floating Rate Notes tied to the same reference rate. In addition, the new floating rate at any time may be lower than the rates on other Notes. Where the Notes convert from a floating rate to a fixed rate, the fixed rate may be lower than then prevailing rates on those Notes and could affect the market value of an investment in the relevant Notes.

Notes issued at a substantial discount or premium

The market values of securities issued at a substantial discount (such as Zero Coupon Notes) or premium from their principal amount tend to fluctuate more in relation to general changes in interest rates than do prices for more conventional interest-bearing securities. Generally, the longer the remaining term of the securities, the greater the price volatility as compared to more conventional interest-bearing securities with comparable maturities.

The regulation and reform of "benchmarks" could adversely affect the value of any Notes linked to or referencing such "benchmarks"

Interest rates and indices which are deemed to be "benchmarks" (including the Programme Benchmarks) are the subject of recent national and international regulatory guidance and proposals for reform. Some of these reforms are already effective whilst others are still to be implemented. These reforms may cause such benchmarks to perform differently than in the past, to disappear entirely, or have other consequences which cannot be predicted. Any such consequence could have a material adverse effect on any Notes linked to or referencing such a "benchmark".

The Benchmarks Regulation was published in the Official Journal of the EU on 29 June 2016 and has mostly applied, subject to certain transitional provisions, from 1 January 2018. The Benchmarks Regulation applies to the provision of benchmarks, the contribution of input data to a benchmark and the use of a benchmark within the EU. It will, among other things, (i) require benchmark administrators to be authorised or registered (or, if non-EU-based, to be subject to an equivalent regime or otherwise recognised or endorsed) and (ii) prevent certain uses by EU supervised entities of "benchmarks" of administrators that are not authorised or registered (or, if non-EU based, not deemed equivalent or recognised or endorsed).

The Benchmarks Regulation could have a material impact on any Notes linked to or referencing any Programme Benchmark, in particular, if the methodology or other terms of the relevant Programme Benchmark are changed in order to comply with the requirements of the Benchmarks Regulation. Such changes could, among other things, have the effect of reducing, increasing or otherwise affecting the volatility of the published rate or level of the relevant Programme Benchmark.

More broadly, any of the international or national reforms, or the general increased regulatory scrutiny of "benchmarks", could increase the costs and risks of administering or otherwise

participating in the setting of a "benchmark" and complying with any such regulations or requirements.

Specifically, the sustainability of LIBOR has been questioned as a result of the absence of relevant active underlying markets and possible disincentives (including possibly as a result of benchmark reforms) for market participants to continue contributing to such benchmarks. On 27 July 2017, and in a subsequent speech by its Chief Executive on 12 July 2018, the UK Financial Conduct Authority ("**FCA**") confirmed that it will no longer persuade or compel banks to submit rates for the calculation of the LIBOR benchmark after 2021 (the "**FCA Announcements**"). The FCA Announcements indicated that the continuation of LIBOR on the current basis cannot and will not be guaranteed after 2021.

In addition, on 29 November 2017, the Bank of England and the FCA announced that, from January 2018, its Working Group on Sterling Risk-Free Rates has been mandated with implementing a broad-based transition to the Sterling Overnight Index Average ("**SONIA**") over the next four years across sterling bond, loan and derivative markets, so that SONIA is established as the primary sterling interest rate benchmark by the end of 2021.

Separate workstreams are also underway in Europe to reform EURIBOR using a hybrid methodology and to provide a fallback by reference to a euro risk-free rate (based on a euro overnight risk-free rate as adjusted by a methodology to create a term rate). On 13 September 2018, the working group on euro risk-free rates recommended Euro Short-term Rate ("**€STR**") as the new risk free rate. €STR is expected to be published by the ECB by October 2019. In addition, on 21 January 2019, the euro risk free-rate working group published a set of guiding principles for fallback provisions in new euro denominated cash products (including bonds). The guiding principles indicate, among other things, that continuing to reference EURIBOR in relevant contracts may increase the risk to the euro area financial system.

It is not possible to predict with certainty whether, and to what extent, LIBOR, EURIBOR or any other Programme Benchmark will continue to be supported going forwards. This may cause the relevant Programme Benchmark to perform differently than it has done in the past, and may have other consequences which cannot be predicted. Such factors may have (without limitation) the following effects on certain benchmarks: (i) discouraging market participants from continuing to administer or contribute to a benchmark; (ii) triggering changes in the rules or methodologies used in the benchmark and/or (iii) leading to the disappearance of the benchmark. Any of the above changes or any other consequential changes as a result of international or national reforms or other initiatives or investigations, could have a material adverse effect on the value of and return on any Notes linked to, referencing, or otherwise dependent (in whole or in part) upon, a Programme Benchmark.

Where Screen Rate Determination is specified in the applicable Final Terms as the manner in which the Rate of Interest in respect of an issue of Floating Rate Notes is to be determined, the conditions provide that the Rate of Interest shall be determined by reference to the Relevant Screen Page. In circumstances where the Original Reference Rate (as defined in Condition 4(b)(ii)(C)(7)) is discontinued, neither the Relevant Screen Page, nor any successor or replacement may be available.

Where the Relevant Screen Page is not available, and no successor or replacement for the Relevant Screen Page is available, the Conditions of the Notes provide for the Rate of Interest to be determined by (in the case of Notes other than Swedish Registered Notes or VPS Notes) the Agent or (in the case of VPS Notes) the VPS Calculation Agent by reference to quotations from banks communicated to (in the case of Notes other than Swedish Registered Notes or VPS Notes) the Agent or (in the case of VPS Notes) the VPS Calculation Agent.

Where such quotations are not available (as may be the case if the relevant banks are not submitting rates for the determination of the relevant Original Reference Rate), the Rate of Interest may

ultimately revert to the Rate of Interest applicable as at the last preceding Interest Determination Date before the Original Reference Rate was discontinued. Uncertainty as to the continuation of the relevant Original Reference Rate, the availability of quotes from reference banks, and the rate that would be applicable if the relevant Original Reference Rate is discontinued may adversely affect the value of, and return on, the relevant Floating Rate Notes.

If a Benchmark Event (as defined in Condition 4(b)(ii)(C)(7)) (which, amongst other events, includes the permanent discontinuation of an Original Reference Rate) occurs and the Issuer has specified "Benchmark Replacement" as being applicable in the applicable Final Terms, the Issuer shall use its reasonable endeavours to appoint an Independent Adviser (as defined in Condition 4(b)(ii)(C)(7)). After consulting with the Independent Adviser, the Issuer shall endeavour to determine a Successor Rate or, failing which, an Alternative Rate (each as defined in Condition 4(b)(ii)(C)) to be used in place of the relevant Original Reference Rate. The use of any such Successor Rate or Alternative Rate to determine the Rate of Interest will result in Notes linked to or referencing the relevant Original Reference Rate performing differently (which may include payment of a lower Rate of Interest) than they would do if the relevant Original Reference Rate were to continue to apply in its current form.

Furthermore, if a Successor Rate or Alternative Rate for the Original Reference Rate is determined by the Issuer, the Conditions of the Notes provide that the Issuer may vary the Conditions of the Notes, as necessary to ensure the proper operation of such Successor Rate or Alternative Rate, without any requirement for consent or approval of the Noteholders.

If a Successor Rate or Alternative Rate is determined by the Issuer, the Conditions of the Notes also provide that an Adjustment Spread (as defined in Condition 4(b)(ii)(C)(7)) may be determined by the Issuer and applied to such Successor Rate or Alternative Rate. The aim of the Adjustment Spread is to reduce or eliminate, to the extent reasonably practicable, any economic prejudice or benefit (as the case may be) to Noteholders as a result of the replacement of the relevant Original Reference Rate with the Successor Rate or the Alternative Rate. However, it may not be possible to determine or apply an Adjustment Spread and even if an Adjustment Spread is applied, such Adjustment Spread may not be effective to reduce or eliminate economic prejudice to Noteholders. If no Adjustment Spread can be determined, a Successor Rate or Alternative Rate may nonetheless be used to determine the Rate of Interest. The use of any Successor Rate or Alternative Rate (including with the application of an Adjustment Spread) will still result in Notes linked to or referencing the relevant Original Reference Rate performing differently (which may include payment of a lower Rate of Interest) than they would if the relevant Original Reference Rate were to continue to apply in its current form.

The Issuer may also not be able to determine a Successor Rate or Alternative Rate in accordance with the Conditions of the Notes.

Where the Issuer is unable to appoint an Independent Adviser in a timely manner, or is unable to determine a Successor Rate or Alternative Rate before the next Interest Determination Date, the Rate of Interest for the next succeeding Interest Period will be the Rate of Interest applicable as at the last preceding Interest Determination Date before the occurrence of the Benchmark Event, or, where the Benchmark Event occurs before the first Interest Determination Date, the Rate of Interest will be the initial Rate of Interest.

Where the Issuer has been unable to appoint an Independent Adviser or has failed to determine a Successor Rate or Alternative Rate in respect of any given Interest Period, it will continue to attempt to appoint an Independent Adviser in a timely manner before the next succeeding Interest Determination Date and/or to determine a Successor Rate or Alternative Rate to apply to the next succeeding and any subsequent Interest Periods, as necessary.

Applying the initial Rate of Interest, or the Rate of Interest applicable as at the last preceding Interest Determination Date before the occurrence of the Benchmark Event will result in Notes linked to or

referencing the relevant benchmark performing differently (which may include payment of a lower Rate of Interest) than they would do if the relevant benchmark were to continue to apply, or if a Successor Rate or Alternative Rate could be determined.

If the Issuer is unable to appoint an Independent Adviser or, fails to determine a Successor Rate or Alternative Rate for the life of the relevant Notes, the initial Rate of Interest, or the Rate of Interest applicable as at the last preceding Interest Determination Date before the occurrence of the Benchmark Event, will continue to apply to maturity. **This will result in the relevant Floating Rate Notes, in effect, becoming Fixed Rate Notes.**

Where ISDA Determination is specified in the applicable Final Terms as the manner in which the Rate of Interest in respect of an issue of Floating Rate Notes is to be determined, the Conditions of the Notes provide that the Rate of Interest in respect of the relevant Notes shall be determined by reference to the relevant Floating Rate Option in the 2006 ISDA Definitions. Where the Floating Rate Option specified is an "IBOR" Floating Rate Option, the Rate of Interest may be determined by reference to the relevant screen rate or the rate determined on the basis of quotations from certain banks. If the relevant IBOR is permanently discontinued and the relevant screen rate or quotations from banks (as applicable) are not available, the operation of these provisions may lead to uncertainty as to the Rate of Interest that would be applicable, and may, adversely affect the value of, and return on, the relevant Floating Rate Notes

Investors should consult their own independent advisers and make their own assessment about the potential risks imposed by the Benchmarks Regulation or any of the international or national reforms and the possible application of the benchmark replacement provisions of Notes in making any investment decision with respect to any Notes referencing a benchmark.

Notes issued as Green Bonds may not be a suitable investment for all investors seeking exposure to green assets

The Final Terms relating to any specific Tranche of Notes may provide that it will be the Issuer's intention to apply the proceeds from an offer of those Notes specifically for projects and activities that promote climate-friendly and other environmental purposes ("**Green Projects**"). Prospective investors should have regard to the information set out in the relevant Final Terms regarding such use of proceeds and must determine for themselves the relevance of such information for the purpose of any investment in such Notes together with any other investigation such investor deems necessary.

In particular no assurance is given by the Issuer that the use of such proceeds for any Green Projects will satisfy, whether in whole or in part, any present or future investor expectations or requirements as regards any investment criteria or guidelines with which such investor or its investments are required to comply, whether by any present or future applicable law or regulations or by its own by-laws or other governing rules or investment portfolio mandates, in particular with regard to any direct or indirect environmental, sustainability or social impact of any projects or uses, the subject of or related to, any Green Projects.

Furthermore, it should be noted that there is currently no clearly-defined definition (legal, regulatory or otherwise) of, nor market consensus as to what constitutes, a "green" or "sustainable" or an equivalently-labelled project or as to what precise attributes are required for a particular project to be defined as "green" or "sustainable" or such other equivalent label nor can any assurance be given that such a clear definition or consensus will develop over time. Accordingly, no assurance is or can be given to investors that any projects or uses the subject of, or related to, any Green Projects will meet any or all investor expectations regarding such "green", "sustainable" or other equivalently-labelled performance objectives or that any adverse environmental, social and/or other impacts will not occur during the implementation of any projects or uses the subject of, or related to, any Green Projects.

No assurance or representation is given as to the suitability or reliability for any purpose whatsoever of any opinion or certification of any third party (whether or not solicited by the Issuer) which may be made available in connection with the issue of any Notes and in particular with any Green Projects to fulfil any environmental, sustainability, social and/or other criteria. For the avoidance of doubt, any such opinion or certification is not, nor shall be deemed to be, incorporated in and/or form part of this Prospectus. Any such opinion or certification is not, nor should be deemed to be, a recommendation by the Issuer or any other person to buy, sell or hold any such Notes. Any such opinion or certification is only current as at the date that opinion was initially issued. Prospective investors must determine for themselves the relevance of any such opinion or certification and/or the information contained therein and/or the provider of such opinion or certification for the purpose of any investment in such Notes. Currently, the providers of such opinions and certifications are not subject to any specific regulatory or other regime or oversight.

In the event that any such Notes are listed or admitted to trading on any dedicated "green", "environmental", "sustainable" or other equivalently-labelled segment of any stock exchange or securities market (whether or not regulated), no representation or assurance is given by the Issuer or any other person that such listing or admission satisfies, whether in whole or in part, any present or future investor expectations or requirements as regards any investment criteria or guidelines with which such investor or its investments are required to comply, whether by any present or future applicable law or regulations or by its own by-laws or other governing rules or investment portfolio mandates, in particular with regard to any direct or indirect environmental, sustainability or social impact of any projects or uses, the subject of or related to, any Green Projects. Furthermore, it should be noted that the criteria for any such listings or admission to trading may vary from one stock exchange or securities market to another. Nor is any representation or assurance given or made by the Issuer or any other person that any such listing or admission to trading will be obtained in respect of any such Notes or, if obtained, that any such listing or admission to trading will be maintained during the life of the Notes.

While it is the intention of the Issuer to apply the proceeds of any Notes so specified for Green Projects in, or substantially in, the manner described in the relevant Final Terms, there can be no assurance that the relevant project(s) or use(s) the subject of, or related to, any Green Projects will be capable of being implemented in, or substantially in, such manner and/or in accordance with any timing schedule and that accordingly such proceeds will be totally or partially disbursed for such Green Projects. Nor can there be any assurance that such Green Projects will be completed within any specified period or at all or with the results or outcome (whether or not related to the environment) as originally expected or anticipated by the Issuer. Any such event or failure by the Issuer will not constitute an Event of Default under the Notes.

Any such event or failure to apply the proceeds of any issue of Notes for any Green Projects as aforesaid and/or withdrawal of any such opinion or certification or any such opinion or certification attesting that the Issuer is not complying in whole or in part with any matters for which such opinion or certification is opining or certifying on and/or any such Notes no longer being listed or admitted to trading on any stock exchange or securities market as aforesaid may have a material adverse effect on the value of such Notes and also potentially the value of any other Notes which are intended to finance Green Projects and/or result in adverse consequences for certain investors with portfolio mandates to invest in securities to be used for a particular purpose.

Risks related to Notes generally

Set out below is a description of material risks relating to the Notes generally:

Meetings

The conditions of the Notes contain provisions for calling meetings of Noteholders to consider matters affecting their interests generally. These provisions permit defined majorities to bind all Noteholders including Noteholders who did not attend and vote at the relevant meeting and Noteholders who voted in a manner contrary to the majority.

Change of law

Except for the provisions relating to registration of VPS Notes in VPS and for Swedish Registered Notes, the conditions of the Notes are based on English law in effect as at the date of this Prospectus. The registration of VPS Notes in VPS shall be governed by, and construed in accordance with, Norwegian law and the Swedish Registered Notes shall be governed by, and construed in accordance with, Swedish law. No assurance can be given as to the impact of any possible judicial decision or change to English law or administrative practice, Norwegian law and administrative practice or Swedish law and administrative practice after the date of this Prospectus and any such change could materially adversely impact the value of any Notes affected by it.

Investors holding less than the minimum Specified Denomination may be unable to sell their Notes and may be adversely affected if definitive Notes are subsequently required to be issued

In relation to any issue of Notes which have denominations consisting of a minimum Specified Denomination plus one or more higher integral multiples of another smaller amount, it is possible that such Notes may be traded in amounts in excess of the minimum Specified Denomination that are not integral multiples of such minimum Specified Denomination. In such a case a holder who, as a result of trading such amounts, holds an amount which is less than the minimum Specified Denomination in his account with the relevant clearing system would not be able to sell the remainder of such holding without first purchasing a principal amount of Notes at or in excess of the minimum Specified Denomination such that its holding amounts to a Specified Denomination. Further, a holder who, as a result of trading such amounts, holds an amount which is less than the minimum Specified Denomination in his account with the relevant clearing system at the relevant time may not receive a definitive Note in respect of such holding (should definitive Notes be printed) and would need to purchase a principal amount of Notes at or in excess of the minimum Specified Denomination such that its holding amounts to a Specified Denomination.

If such Notes in definitive form are issued, holders should be aware that definitive Notes which have a denomination that is not an integral multiple of the minimum Specified Denomination may be illiquid and difficult to trade.

Risks related to the market generally

Set out below is a description of the material market risks, including liquidity risk, exchange rate risk, interest rate risk and credit risk:

The secondary market generally

Notes may have no established trading market when issued, and one may never develop. If a market for the Notes does develop, it may not be very liquid. Therefore, investors may not be able to sell their Notes easily or at prices that will provide them with a yield comparable to similar investments that have a developed secondary market. This is particularly the case for Notes that are especially sensitive to interest rate, currency or market risks, are designed for specific investment objectives or strategies or have been structured to meet the investment requirements of limited categories of investors. These types of Notes generally would have a more limited secondary market and more price volatility than conventional debt securities.

Exchange rate risks and exchange controls

The Issuer will pay principal and interest on the Notes in the Specified Currency. This presents certain risks relating to currency conversions if an investor's financial activities are denominated principally in a currency or currency unit (the "**Investor's Currency**") other than the Specified Currency. These include the risk that exchange rates may significantly change (including changes due to devaluation of the Specified Currency or revaluation of the Investor's Currency) and the risk that authorities with jurisdiction over the Investor's Currency may impose or modify exchange controls. An appreciation in the value of the Investor's Currency relative to the Specified Currency would decrease (1) the Investor's Currency equivalent yield on the Notes, (2) the Investor's Currency equivalent value of the principal payable on the Notes and (3) the Investor's Currency equivalent market value of the Notes.

Government and monetary authorities may impose (as some have done in the past) exchange controls that could adversely affect an applicable exchange rate or the ability of the Issuer to make payments in respect of the Notes. As a result, investors may receive less interest or principal than expected, or no interest or principal.

Interest rate risks

Investment in Fixed Rate Notes involves the risk that if market interest rates subsequently increase above the rate paid on the Fixed Rate Notes, this will adversely affect the value of the Fixed Rate Notes.

Credit ratings may not reflect all risks

One or more independent credit rating agencies may assign credit ratings to the Notes. The ratings may not reflect the potential impact of all risks related to structure, market, additional factors discussed above, and other factors that may affect the value of the Notes. A credit rating is not a recommendation to buy, sell or hold securities and may be revised, suspended or withdrawn by the rating agency at any time.

In general, European regulated investors are restricted under the CRA Regulation from using credit ratings for regulatory purposes, unless such ratings are issued by a credit rating agency established in the EU and registered under the CRA Regulation (and such registration has not been withdrawn or suspended, subject to transitional provisions that apply in certain circumstances). Such general restriction will also apply in the case of credit ratings issued by non-EU credit rating agencies, unless the relevant credit ratings are endorsed by an EU-registered credit rating agency or the relevant non-EU rating agency is certified in accordance with the CRA Regulation (and such endorsement action or certification, as the case may be, has not been withdrawn or suspended, subject to transitional provisions that apply in certain circumstances). Certain information with respect to the credit rating agencies and ratings is set out on the cover of this Prospectus.

GENERAL DESCRIPTION OF THE PROGRAMME

Under the Programme, the Issuer may from time to time issue Notes denominated in any currency subject as set out herein. The applicable terms of any Notes will be agreed between the Issuer and the relevant Dealer prior to the issue of the Notes and (except in the case of Swedish Registered Notes) will be set out in the Terms and Conditions of the Notes endorsed on, attached to, or otherwise deemed to apply to, the Notes, as completed by the applicable Final Terms attached to, endorsed on, or otherwise deemed to apply to, such Notes, as more fully described under "*Form of the Notes*" below. In the case of Swedish Registered Notes, the applicable terms thereof are those set out in the Terms and Conditions of the Notes appearing in this Prospectus as completed by the applicable Final Terms.

This Prospectus will only be valid for listing Notes on the Luxembourg Stock Exchange in an aggregate nominal amount which, when added to the aggregate nominal amount then outstanding of all Notes previously or simultaneously issued under the Programme, does not exceed €12,000,000,000 or its equivalent in other currencies. For the purpose of calculating the euro equivalent of the aggregate nominal amount of Notes issued under the Programme from time to time:

- (a) the euro equivalent of Notes denominated in another Specified Currency (as specified in the applicable Final Terms in relation to the relevant Notes, described under "*Form of the Notes*") shall be determined, at the discretion of the Issuer, either as of the date on which agreement is reached for the issue of Notes or on the preceding day on which commercial banks and foreign exchange markets are open for general business in London, in each case on the basis of the spot rate for the sale of the euro against the purchase of such Specified Currency in the London foreign exchange market quoted by any leading international bank selected by the Issuer on the relevant day of calculation; and
- (b) the euro equivalent of Zero Coupon Notes (as specified in the applicable Final Terms in relation to the relevant Notes, described under "*Form of the Notes*") and other Notes issued at a discount or a premium shall be calculated in the manner specified above by reference to the net proceeds received by the Issuer for the relevant issue.

Following the publication of this Prospectus a supplement to the Prospectus may be prepared by the Issuer and approved by the CSSF in accordance with Article 16 of the Prospectus Directive. Statements contained in any such supplement (or contained in any document incorporated by reference therein) shall, to the extent applicable (whether expressly, by implication or otherwise), be deemed to modify or supersede statements contained in this Prospectus or in a document which is incorporated by reference in this Prospectus. Any statement so modified or superseded shall not, except as so modified or superseded, constitute a part of this Prospectus.

FORM OF THE NOTES

Each Tranche of Notes (except Swedish Registered Notes and VPS Notes) will initially be represented by a temporary global Note (or, if so specified in the applicable Final Terms, a permanent global Note) without interest coupons or talons, which, in either case, will:

- (i) if the global Notes are intended to be issued in new global note ("NGN") form, as stated in the applicable Final Terms, be delivered on or prior to the original issue date of the Tranche to a common safekeeper (the "**Common Safekeeper**") for Euroclear Bank SA/NV ("**Euroclear**") and Clearstream Banking S.A. ("**Clearstream, Luxembourg**"); and
- (ii) if the global Notes are not intended to be issued in NGN Form, be delivered on or prior to the original issue date of the Tranche to a common depositary (the "**Common Depositary**") for Euroclear and Clearstream, Luxembourg.

Whilst any Note is represented by a temporary global Note, payments of principal and interest (if any) due prior to the Exchange Date (as defined below) will be made (against presentation of the temporary global Note if the temporary global Note is not intended to be issued in NGN form) only to the extent that certification (in a form to be provided) to the effect that the beneficial owners of interests in such Note are not U.S. persons or persons who have purchased for resale to any U.S. person, as required by U.S. Treasury regulations, has been received by Euroclear and/or Clearstream, Luxembourg and Euroclear and/or Clearstream, Luxembourg, as applicable, has given a like certification (based on the certifications it has received) to the Agent. Any reference in this section "*Form of the Notes*" to Euroclear, Clearstream, Luxembourg and/or Euroclear Sweden and/or VPS shall, whenever the context so permits, be deemed to include a reference to any additional or alternative clearance system approved by the Issuer and the Agent.

On and after the date (the "**Exchange Date**") which is the later of (i) 40 days after the date on which any temporary global Note is issued, and (ii) 40 days after the completion of the distribution of the relevant Tranche, as certified by the relevant Dealer (in the case of a non-syndicated issue) or the relevant lead manager (in the case of a syndicated issue) (the "**Distribution Compliance Period**"), interests in such temporary global Note will be exchangeable (free of charge) upon a request as described therein either for (i) interests in a permanent global Note of the same Series or (ii) for definitive Notes of the same Series with, where applicable, interest coupons and talons attached (as indicated in the applicable Final Terms and subject, in the case of definitive Notes, to such notice period as is specified in the applicable Final Terms), in each case against certification of beneficial ownership as described above unless such certification has already been given. The holder of a temporary global Note will not be entitled to collect any payment of interest or principal due on or after the Exchange Date unless upon due certification, exchange of the temporary global Note for an interest in a permanent global Note or for definitive Notes is improperly withheld or refused. Pursuant to the Agency Agreement (as defined under "*Terms and Conditions of the Notes*" below) the Agent shall arrange that, where a further Tranche of Notes is issued which is intended to form a single Series with an existing Tranche of Notes at a point after the Issue Date of the further Tranche, the Notes of such Tranche shall be assigned a common code and ISIN which are different from the common code and ISIN assigned to Notes of any other Tranche of the same Series until such time as the Tranches are consolidated and form a single Series, which shall not be prior to the expiry of the Distribution Compliance Period applicable to the Notes of such Tranche.

Payments of principal and interest (if any) on a permanent global Note will be made through Euroclear and/or Clearstream, Luxembourg (against presentation or surrender (as the case may be) of the permanent global Note if the permanent global Note is not intended to be issued in NGN form) without any requirement for certification.

The applicable Final Terms will specify that a permanent global Note will be exchangeable (free of charge), in whole but not in part, for definitive Notes with, where applicable, interest coupons and talons attached upon either (i) not less than 60 days' written notice from Euroclear and/or Clearstream, Luxembourg (acting on the instructions of any holder of an interest in such permanent global Note) to the Agent as described therein or (ii) only upon the occurrence of an Exchange Event as described therein. A Permanent Global Note representing Notes having denominations consisting of a minimum Specified Denomination and integral multiples of a smaller amount there above may only be exchanged for definitive Notes upon an Exchange Event.

"**Exchange Event**" means (i) an Event of Default has occurred and is continuing, or (ii) the Issuer has been notified that either Euroclear or Clearstream, Luxembourg has been closed for business for a continuous period of 14 days (other than by reason of holiday, statutory or otherwise) or has announced an intention permanently to cease business or has in fact done so and no alternative clearing system is available. The Issuer will promptly give notice to Noteholders in accordance with Condition 13 if an Exchange Event occurs. In the event of the occurrence of an Exchange Event, Euroclear and/or Clearstream, Luxembourg (acting on the instructions of any holder of an interest in such permanent global Note) may give notice to the Agent requesting exchange. Any such exchange shall occur not later than 30 days after the date of receipt of the first relevant notice by the Agent.

Global Notes and definitive Notes will be issued pursuant to the Agency Agreement.

The following legend will appear on all global Notes (other than Temporary Global Notes), definitive Notes, interest coupons and talons where TEFRA D is specified in the applicable Final Terms:

"ANY UNITED STATES PERSON WHO HOLDS THIS OBLIGATION WILL BE SUBJECT TO LIMITATIONS UNDER THE UNITED STATES INCOME TAX LAWS, INCLUDING THE LIMITATIONS PROVIDED IN SECTIONS 165(j) AND 1287(a) OF THE INTERNAL REVENUE CODE."

The sections referred to provide that United States holders, with certain exceptions, will not be entitled to deduct any loss on Notes or interest coupons and will not be entitled to capital gains treatment in respect of any gain on any sale, disposition, redemption or payment of principal in respect of Notes or interest coupons.

A Note may be accelerated automatically by the holder thereof in certain circumstances described in "*Terms and Conditions of the Notes — Events of Default*". In such circumstances, where any Note is still represented by a global Note and a holder of such Note so represented and credited to his securities account with Euroclear or Clearstream, Luxembourg gives notice that it wishes to accelerate such Note, unless within a period of 15 days from the giving of such notice payment has been made in full of the amount due in accordance with the terms of such global Note, such global Note will become void at 8.00 pm (London time) on such day. At the same time, holders of interests in such global Note credited to their accounts with Euroclear and/or Clearstream, Luxembourg, as the case may be, will become entitled to proceed directly against the Issuer on the basis of statements of account provided by Euroclear and Clearstream, Luxembourg, on and subject to the terms of a deed of covenant (the "**Deed of Covenant**") dated 8 May 2019 executed by the Issuer.

Each Tranche of Swedish Registered Notes will be issued in uncertificated and dematerialised registered form in accordance with the Swedish Financial Instruments Accounts Act (SFS 1998:1479). The holder of a Swedish Registered Note will be the person evidenced as such by a book entry in the records of Euroclear Sweden. Where a nominee is so evidenced it shall be treated as the holder of the relevant Swedish Registered Note.

The VPS Notes will be issued in uncertificated and dematerialised book entry form. Legal title to the VPS Notes will be evidenced by book entries in the records of VPS. Issues of VPS Notes will be constituted by the VPS Trustee Agreement and are subject to the VPS Agency Agreement (each as

defined under “*Terms and Conditions of the Notes*”). On the issue of VPS Notes, the Issuer will send a letter to the VPS Trustee (as defined under “*Terms and Conditions of the Notes*”), with a copy sent to the VPS Agent (as defined under “*Terms and Conditions of the Notes*”) (the “**VPS Letter**”), which will set out the terms of the relevant issue of VPS Notes in the form of the applicable Final Terms.

Following notification to the VPS Agent of the terms relating to the relevant VPS Notes by (or on behalf of) the Issuer and of the subscribers and their VPS account details by the relevant Dealer, the VPS Agent, acting on behalf of the Issuer, will credit each subscribing account holder with VPS with a nominal amount of VPS Notes equal to the nominal amount thereof for which it has subscribed and paid.

Settlement of sale and purchase transactions in respect of VPS Notes in VPS will take place two Oslo business days after the date of the relevant transaction. Transfers of interests in the relevant VPS Notes will take place in accordance with the rules and procedures for the time being of VPS.

VPS Notes will not be exchangeable for any physical note or document of title other than statements of account made by VPS.

FORM OF FINAL TERMS

Set out below is the form of Final Terms which will be completed for each Tranche of Notes issued under the Programme.

[PROHIBITION OF SALES TO EEA RETAIL INVESTORS – The Notes are not intended to be offered, sold or otherwise made available to and should not be offered, sold or otherwise made available to any retail investor in the European Economic Area ("EEA"). For these purposes, a retail investor means a person who is one (or more) of: (i) a retail client as defined in point (11) of Article 4(1) of Directive 2014/65/EU (as amended, "**MiFID II**"); (ii) a customer within the meaning of Directive 2002/92/EC (as amended or superseded), where that customer would not qualify as a professional client as defined in point (10) of Article 4(1) of MiFID II; or (iii) not a qualified investor as defined in Directive 2003/71/EC (as amended). Consequently no key information document required by Regulation (EU) No 1286/2014 (as amended, the "**PRIPs Regulation**") for offering or selling the Notes or otherwise making them available to retail investors in the EEA has been prepared and therefore offering or selling the Notes or otherwise making them available to any retail investor in the EEA may be unlawful under the PRIIPs Regulation.]

[MIFID II product governance / Professional investors and ECPs only target market – Solely for the purposes of [the/each] manufacturer's product approval process, the target market assessment in respect of the Notes has led to the conclusion that: (i) the target market for the Notes is eligible counterparties and professional clients only, each as defined in [Directive 2014/65/EU (as amended, "**MiFID II**")][MiFID II]; and (ii) all channels for distribution of the Notes to eligible counterparties and professional clients are appropriate, subject to the distributor's suitability and appropriateness obligations under MiFID II, as applicable. [*Consider any negative target market.*] Any person subsequently offering, selling or recommending the Notes (a "**distributor**") should take into consideration the manufacturer['s/s'] target market assessment; however, a distributor subject to MiFID II is responsible for undertaking its own target market assessment in respect of the Notes (by either adopting or refining the manufacturer['s/s'] target market assessment) and determining appropriate distribution channels, subject to the distributor's suitability and appropriateness obligations under MiFID II, as applicable.]

TERMS AND CONDITIONS OF THE NOTES

The following are the Terms and Conditions of the Notes in bearer form which will be incorporated by reference into each global Note and each definitive Note, in the latter case only if permitted by the relevant stock exchange (if any) and agreed by the Issuer and the relevant Dealer at the time of issue but, if not so permitted and agreed, such definitive Note will have endorsed thereon or attached thereto such Terms and Conditions. The following terms and conditions will also be applicable to each Swedish Registered Note and to each VPS Note. VPS Notes will not be evidenced by any physical note or document of title other than statements of account made by VPS. The applicable Final Terms (or the relevant provisions thereof) will be endorsed upon, or attached to, each temporary global Note, permanent global Note and definitive Note. Reference should be made to "Form of Final Terms" above for the form of the Final Terms which specifies certain capitalised terms as defined in the following Terms and Conditions.

The following is the text of the Conditions of the Notes, save for the paragraphs in italics, which shall not form part of the Conditions of the Notes:

This Note is one of a Series (as defined below) of Notes issued by Telia Company AB (publ) (the "**Issuer**") pursuant to the Agency Agreement (as defined below) or, in the case of VPS Notes (as defined below) only, issued by the Issuer in accordance with and subject to the agreement dated 8 May 2019 made between the Issuer and Nordic Trustee AS (the "**VPS Trustee**", which expression shall include any successor as VPS Trustee) (such agreement as modified and/or supplemented and/or restated from time to time, the "**VPS Trustee Agreement**"). The VPS Trustee acts for the benefit of the holders for the time being of VPS Notes in accordance with the provisions of the VPS Trustee Agreement and the Conditions. Nordic Trustee AS will also act as calculation agent in respect of VPS Notes (the "**VPS Calculation Agent**", which expression shall include any successor or alternative VPS Calculation Agent that may be appointed). The VPS Notes will be created and held in uncertificated book-entry form in accounts with VPS. The VPS Agent (as defined below) will act as agent of the Issuer in respect of all dealings with VPS in respect of the VPS Notes.

References herein to the "**Notes**" shall be references to the Notes of this Series and shall mean:

- (i) in relation to any Notes represented by a global Note, units of each Specified Denomination in the Specified Currency;
- (ii) definitive Notes issued in exchange for a global Note;
- (iii) any global Note;
- (iv) Notes cleared through the Swedish Central Securities Depository & Clearing Organisation, Euroclear Sweden AB, which are in registered form in accordance with the Swedish Financial Instruments Accounts Act (SFS 1998:1479) ("**Swedish Registered Notes**" and "**Euroclear Sweden**" respectively); and
- (v) any Notes issued in uncertificated and dematerialised book entry form ("**VPS Notes**") and cleared through Verdipapirsentralen ASA, the Norwegian central securities depository ("**VPS**").

Except in the case of Swedish Registered Notes and VPS Notes, the Notes (as defined below) and the Coupons (as defined below) have the benefit of an amended and restated Agency Agreement (the "**Agency Agreement**") dated 8 May 2019, and made among the Issuer, Citibank, N.A., London Branch as issuing and principal paying agent and agent bank (the "**Agent**", which expression shall include any successor agent specified in the applicable Final Terms), the other paying agents named

therein (together with the Agent, the "**Paying Agents**", which expression shall include any additional or successor paying agents) and the VPS Agent (as defined below).

In the case of VPS Notes, the Notes have the benefit of a Paying Agency and Registrar Agreement (as amended and/or supplemented and/or restated from time to time, the "**VPS Agency Agreement**") dated 8 May 2019 and made between the Issuer and Nordea Bank Abp, filial i Norge (the "**VPS Agent**", which expression shall include any successor agent in relation to VPS Notes cleared through VPS).

Interest bearing definitive Notes (unless otherwise indicated in the applicable Final Terms) have interest coupons ("**Coupons**") and, in the case of Notes which, when issued in definitive form, have more than 27 interest payments remaining, talons for further Coupons ("**Talons**") attached on issue. Any reference herein to Coupons or coupons shall, unless the context otherwise requires, be deemed to include a reference to Talons or talons. Swedish Registered Notes and VPS Notes are in dematerialised form and, for the avoidance of doubt, any reference herein to Coupons, Talons or related expressions shall not apply to Swedish Registered Notes or VPS Notes.

The final terms for this Note (or the relevant provisions thereof) are set out in Part A of the Final Terms which are attached to, endorsed on or otherwise deemed to apply to this Note which supplement these Terms and Conditions. References to the "**applicable Final Terms**" are to Part A of the Final Terms (or the relevant provisions thereof) which is attached to, endorsed on or otherwise deemed to apply to this Note.

Any reference to "**Noteholders**" shall mean the holders of the Notes, and shall, in relation to any Notes represented by a global Note and in relation to Swedish Registered Notes and VPS Notes, be construed as provided below. Any reference herein to "**Couponholders**" shall mean the holders of any Coupons, and shall, unless the context otherwise requires, include any holders of the Talons.

The Noteholders and the Couponholders (other than the holders of Swedish Registered Notes or VPS Notes) are entitled to the benefit of the Deed of Covenant (such Deed of Covenant as modified and/or supplemented and/or restated from time to time, the "**Deed of Covenant**") dated 8 May 2019, and made by the Issuer. The original of the Deed of Covenant is held by a common depositary or common safekeeper, as the case may be, on behalf of Euroclear and Clearstream, Luxembourg (each as defined below).

If the Notes are to be admitted to trading on the regulated market of the Luxembourg Stock Exchange the applicable Final Terms will be published on the website of the Luxembourg Stock Exchange (www.bourse.lu). If this Note is neither admitted to trading on a regulated market in the European Economic Area nor offered in the European Economic Area in circumstances where a prospectus is required to be published under the Prospectus Directive, the applicable Final Terms will only be obtainable by a Noteholder holding one or more Notes and such Noteholder must produce evidence satisfactory to the relevant Paying Agent as to its holding of Notes and as to its identity.

Except for holders of Swedish Registered Notes, the Noteholders and the Couponholders are deemed to have notice of, and are entitled to the benefit of, all the provisions of the Agency Agreement, the VPS Agency Agreement, the VPS Trustee Agreement and the applicable Final Terms which are applicable to them. The statements in these Terms and Conditions include summaries of, and are subject to, the detailed provisions of the Agency Agreement and, in the case of VPS Notes, the VPS Agency Agreement and the VPS Trustee Agreement.

The holders of Swedish Registered Notes should refer to "General Information — Documents Available" in the Prospectus.

Subject as set out below, title to the Notes and Coupons will pass by delivery. The Issuer, the Replacement Agent (as defined in the Agency Agreement) and any Paying Agent may deem and treat the bearer of any Note or Coupon as the absolute owner thereof (whether or not overdue and notwithstanding any notice of ownership or writing thereon or notice of any previous loss or theft thereof) for all purposes but, in the case of any global Note, without prejudice to the provisions set out in the next succeeding paragraph.

Where a nominee is so evidenced, it shall be treated by the Issuer as the holder of the relevant Swedish Registered Note.

Each person who is for the time being shown in the register maintained by Euroclear Sweden (as defined below) as the holder of a particular nominal amount of such Notes (in which regard any certificate or other document issued by Euroclear Sweden as to the nominal amount of such Notes standing to the account of any person shall be conclusive and binding

for all purposes save in the case of manifest error) shall be treated by the Issuer, the Agent and any other Paying Agent as the holder of such nominal amount of such Notes for all purposes and the expressions "**Noteholder**" and "**holder of Notes**" and related expressions shall be construed accordingly.

Swedish Registered Notes will be transferable only in accordance with the Swedish Financial Instruments Accounts Act (SFS 1998:1479) and applicable Swedish law and the rules and procedures for the time being of Euroclear Sweden.

This Condition 1(d) only applies to VPS Notes.

The holder of a VPS Note will be the person evidenced (including any nominee) as such by a book entry in the records of VPS. The person so evidenced as a holder of VPS Notes shall be treated as the holder of such Notes for all purposes and the expressions "**Noteholder**", "**holder of Notes**" and "**holder of VPS Notes**" and related expressions shall be construed accordingly. The Issuer and the VPS Trustee may rely on a certificate of VPS or one issued on behalf of VPS by an account-carrying institution as to a particular person being a holder of VPS Notes.

Title to the VPS Notes will pass by registration in the relevant registers between the direct or indirect accountholders at VPS, in accordance with the rules and procedures of VPS. Each person who is for the time being shown in the records of VPS as the holder of a particular nominal amount of VPS Notes shall be treated by the Issuer, the VPS Agent and the VPS Trustee as the holder of such nominal amount of such VPS Notes for all purposes.

The Notes and the relative Coupons are direct, unconditional, unsubordinated and (subject to the provisions of Condition 3) unsecured obligations of the Issuer and rank *pari passu* among themselves and equally with all other outstanding unsecured and unsubordinated obligations of the Issuer except as mandatorily preferred by law.

3. Negative Pledge

So long as any of the Notes remains outstanding, the Issuer will not create or have outstanding any mortgage, lien (other than solely by operation of law), pledge or other charge upon the whole or any part of its undertaking or assets, present or future (including any uncalled capital), to secure any Public Debt of any Person or any obligation of any Person under any guarantee of or indemnity in respect of any Public Debt of any other Person without at the same time or prior thereto securing the Notes equally and rateably therewith or providing such other security for the Notes except as shall be approved, in the case of Notes other than VPS Notes, by an Extraordinary Resolution (as defined in the Agency Agreement) of the Noteholders or, in the case of VPS Notes only, by a majority of two-thirds of votes at a

meeting of Noteholders duly convened and held in accordance with the provisions of the VPS Trustee Agreement.

For the purposes of this Condition 3, "**outstanding**", in the case of Notes other than Swedish Registered Notes and VPS Notes, has the meaning given to it in the Agency Agreement. In the case of VPS Notes only, "**outstanding**" means VPS Notes to the extent not redeemed or otherwise discharged.

"**Public Debt**" means indebtedness which is in the form of, or represented or evidenced by, bonds, notes, debentures, loan stock or other securities which for the time being are, or are intended to be, quoted, listed, ordinarily dealt in or traded on any stock exchange, over-the-counter, or other established securities market and which:

- (a) has an initial life exceeding 2 years; or
- (b)
 - (i) by its terms is payable, or may be required to be paid, in or by reference to any currency other than Swedish Kronor; or
 - (ii) by its terms is payable, or may be required to be paid, in or by reference to Swedish Kronor where more than 50 per cent. in aggregate principal amount of such indebtedness is initially offered outside the Kingdom of Sweden.

"**Person**" means any individual, company, corporation, firm, partnership, joint venture, association, organisation, state, agency of a state or other entity, whether or not having separate legal personality.

4. Interest

(a) Interest on Fixed Rate Notes

Each Fixed Rate Note bears interest from (and including or, in the case of Swedish Registered Notes, but excluding) the Interest Commencement Date at the rate(s) per annum equal to the Rate(s) of Interest payable in arrear on the Interest Payment Date(s) in each year and on the Maturity Date if that does not fall on an Interest Payment Date.

If the Notes are in definitive form, except as provided in the applicable Final Terms, the amount of interest payable on each Interest Payment Date in respect of the Fixed Interest Period ending on (but excluding) such date will amount to the Fixed Coupon Amount. Payments of interest on any Interest Payment Date will, if so specified in the applicable Final Terms, amount to the Broken Amount so specified.

As used in these Conditions, "**Fixed Interest Period**" means the period from (and including or, in the case of Swedish Registered Notes, but excluding) an Interest Payment Date (or the Interest Commencement Date) to (but excluding or, in the case of Swedish Registered Notes, and including) the next (or first) Interest Payment Date.

Except in the case of Notes in definitive form where an applicable Fixed Coupon Amount or Broken Amount is specified in the applicable Final Terms, interest shall be calculated in respect of any period by applying the Rate of Interest to:

- (A) in the case of Fixed Rate Notes which are represented by a Global Note or which are VPS Notes, the aggregate outstanding nominal amount of the Fixed Rate Notes represented by such Global Note or which are VPS Notes;

- (B) in the case of Swedish Registered Notes, the aggregate outstanding nominal amount of the Fixed Rate Notes appearing on the register maintained by Euroclear Sweden on behalf of the Issuer; or
- (C) in the case of Fixed Rate Notes in definitive form, the Calculation Amount,

and, in each case, multiplying such sum by the applicable Day Count Fraction, and rounding the resultant figure to the nearest sub-unit of the relevant Specified Currency, half of any such sub-unit being rounded upwards or otherwise in accordance with applicable market convention. Where the Specified Denomination of a Fixed Rate Note in definitive form is a multiple of the Calculation Amount, the amount of interest payable in respect of such Fixed Rate Note shall be the product of the amount (determined in the manner provided above) for the Calculation Amount and the amount by which the Calculation Amount is multiplied to reach the Specified Denomination without any further rounding.

In these Conditions, "**Day Count Fraction**" means, in respect of the calculation of an amount of interest in accordance with this Condition 4(a):

- (i) if "**Actual/Actual (ICMA)**" is specified in the applicable Final Terms:
 - (A) in the case of Notes where the number of days in the relevant period from (and including or, in the case of Swedish Registered Notes, but excluding) the most recent Fixed Interest Date (or, if none, the Interest Commencement Date) to (but excluding or, in the case of Swedish Registered Notes, and including) the relevant payment date (the "**Accrual Period**") is equal to or shorter than the Determination Period during which the Accrual Period ends, the number of days in such Accrual Period divided by the product of (1) the number of days in such Determination Period and (2) the number of Determination Dates that would occur in one calendar year; or
 - (B) in the case of Notes where the Accrual Period is longer than the Determination Period during which the Accrual Period ends, the sum of:
 - (1) the number of days in such Accrual Period falling in the Determination Period in which the Accrual Period begins divided by the product of (x) the number of days in such Determination Period and (y) the number of Determination Dates (as specified in the applicable Final Terms) that would occur in one calendar year; and
 - (2) the number of days in such Accrual Period falling in the next Determination Period divided by the product of (x) the number of days in such Determination Period and (y) the number of Determination Dates that would occur in one calendar year; and
- (ii) if "**30/360**" is specified in the applicable Final Terms, the number of days in the period from (and including or, in the case of Swedish Registered Notes, but excluding) the most recent Interest Payment Date (or, if none, the Interest Commencement Date) to (but excluding, or in the case of Swedish Registered Notes, and including) the relevant payment date (such number of days being calculated on the basis of 12 30-day months) divided by 360.

In these Conditions:

"Determination Period" means the period from (and including or, in the case of Swedish Registered Notes, but excluding) a Determination Date to (but excluding or, in the case of Swedish Registered Notes, and including) the next Determination Date (including, where either the Interest Commencement Date or the final Interest Payment Date is not a Determination Date, the period commencing on the first Determination Date prior to, and ending on the first Determination Date falling after, such date); and

"sub-unit" means, with respect to any currency other than euro, the lowest amount of such currency that is available as legal tender in the country of such currency and, with respect to euro, means one cent.

(b) Interest on Floating Rate Notes

(i) Interest Payment Dates

Each Floating Rate Note bears interest from (and including or, in the case of Swedish Registered Notes, but excluding) the Interest Commencement Date and such interest will be payable in arrear on either:

- (A) the Specified Interest Payment Date(s) (each an **"Interest Payment Date"**) in each year specified in the applicable Final Terms; or
- (B) if no Specified Interest Payment Date(s) is/are specified in the applicable Final Terms, each date which falls the number of months or other period specified as the Specified Period in the applicable Final Terms after the preceding Interest Payment Date or, in the case of the first Interest Payment Date, after the Interest Commencement Date.

Such interest will be payable in respect of each Interest Period. In the Terms and Conditions **"Interest Period"** means the period from (and including or, in the case of Swedish Registered Notes, but excluding) an Interest Payment Date (or the Interest Commencement Date) to (but excluding or, in the case of Swedish Registered Notes, and including) the next (or first) Interest Payment Date. Unless otherwise stated in the applicable Final Terms, the Minimum Rate of Interest shall be deemed to be zero.

If a business day convention is specified in the applicable Final Terms and (x) if there is no numerically corresponding day in the calendar month in which an Interest Payment Date should occur or (y) if any Interest Payment Date would otherwise fall on a day which is not a Business Day, then, if the business day convention specified is:

- (1) in any case where Specified Periods are specified in accordance with Condition 4(b)(i)(B) above, the Floating Rate Convention, such Interest Payment Date (i) in the case of (x) above, shall be the last day that is a Business Day in the relevant month and the provisions of (B) below shall apply *mutatis mutandis* or (ii) in the case of (y) above, shall be postponed to the next day which is a Business Day unless it would thereby fall into the next calendar month, in which event (A) such Interest Payment Date shall be brought forward to the immediately preceding Business Day and (B) each subsequent Interest Payment Date shall be the last Business Day in the month which falls the Specified Period after the preceding applicable Interest Payment Date occurred; or

- (2) the Following Business Day Convention, such Interest Payment Date shall be postponed to the next day which is a Business Day; or
- (3) the Modified Following Business Day Convention, such Interest Payment Date shall be postponed to the next day which is a Business Day unless it would thereby fall into the next calendar month, in which event such Interest Payment Date shall be brought forward to the immediately preceding Business Day; or
- (4) the Preceding Business Day Convention, such Interest Payment Date shall be brought forward to the immediately preceding Business Day.

In this Condition, "**Business Day**" means a day which is:

- (A) a day on which commercial banks and foreign exchange markets settle payments and are open for general business (including dealing in foreign exchange and foreign currency deposits) in any Additional Business Centre specified in the applicable Final Terms;
- (B) either (1) in relation to any sum payable in a Specified Currency other than euro, a day on which commercial banks and foreign exchange markets settle payments and are open for general business (including dealing in foreign exchange and foreign currency deposits) in the principal financial centre of the country of the relevant Specified Currency which if the Specified Currency is Australian dollars or New Zealand dollars shall be Sydney or Auckland, respectively) or (2) in relation to any sum payable in euro, a day on which the TARGET2 System is open; and
- (C) in the case of VPS Notes only, a day on which commercial banks, central securities depositories and foreign exchange markets are open for business in Oslo.

In these Conditions, "**TARGET2 System**" means the Trans-European Automated Real-Time Gross Settlement Express Transfer (TARGET2) System.

(ii) *Rate of Interest*

The Rate of Interest payable from time to time in respect of Floating Rate Notes will be determined in the manner specified in the applicable Final Terms.

(A) *ISDA Determination for Floating Rate Notes*

Where ISDA Determination is specified in the applicable Final Terms as the manner in which the Rate of Interest is to be determined, the Rate of Interest for each Interest Period will be the relevant ISDA Rate plus or minus (as indicated in the applicable Final Terms) the Margin (if any). For the purposes of this sub-paragraph (A), "**ISDA Rate**" for an Interest Period means a rate equal to the Floating Rate that would be determined by (in the case of Notes other than Swedish Registered Notes or VPS Notes) the Agent, (in the case of Swedish Registered Notes) the Calculation Agent or (in the case of VPS Notes) the VPS Calculation Agent under an interest rate swap transaction if (in the case of Notes other than Swedish Registered Notes or VPS Notes) the Agent, (in the case of Swedish Registered Notes) the Calculation Agent or (in the case of VPS Notes) the VPS Calculation Agent were acting as Calculation Agent for that swap transaction under the terms of

an agreement incorporating the 2006 ISDA Definitions, as published by the International Swaps and Derivatives Association, Inc. and as amended and updated as at the Issue Date of the first Tranche of the Notes (the "**ISDA Definitions**") and under which:

- (1) the Floating Rate Option is as specified in the applicable Final Terms;
- (2) the Designated Maturity is a period specified in the applicable Final Terms; and
- (3) the relevant Reset Date is the day specified in the applicable Final Terms.

For the purposes of this sub-paragraph (A), "**Floating Rate**", "**Calculation Agent**", "**Floating Rate Option**", "**Designated Maturity**" and "**Reset Date**" have the meanings given to those terms in the ISDA Definitions.

(B) *Screen Rate Determination for Floating Rate Notes*

Where Screen Rate Determination is specified in the applicable Final Terms as the manner in which the Rate of Interest is to be determined, the Rate of Interest for each Interest Period will, subject as provided below, be either:

- (1) the offered quotation; or
- (2) the arithmetic mean (rounded if necessary to the fifth decimal place, with 0.000005 being rounded upwards) of the offered quotations,

(expressed as a percentage rate per annum) for the Reference Rate (being the London interbank offered rate ("**LIBOR**"), the Euro-zone interbank offered rate ("**EURIBOR**"), the Stockholm interbank offered rate ("**STIBOR**") or the Norwegian interbank offered rate ("**NIBOR**"), as specified in the applicable Final Terms) which appears or appear, as the case may be, on the Relevant Screen Page as at 11.00 a.m. (London time, in the case of LIBOR, Brussels time, in the case of EURIBOR, Stockholm time, in the case of STIBOR or Oslo time, in the case NIBOR) on the Interest Determination Date in question plus or minus (as indicated in the applicable Final Terms) the Margin (if any), all as determined by (in the case of Notes other than Swedish Registered Notes or VPS Notes) the Agent, (in the case of Swedish Registered Notes) the Calculation Agent or (in the case of VPS Notes) the VPS Calculation Agent. If five or more of such offered quotations are available on the Relevant Screen Page, the highest (or, if there is more than one such highest quotation, one only of such quotations) and the lowest (or, if there is more than one such lowest quotation, one only of such quotations) shall be disregarded by (in the case of Notes other than Swedish Registered Notes or VPS Notes) the Agent, (in the case of Swedish Registered Notes) the Calculation Agent or (in the case of VPS Notes) the VPS Calculation Agent, as the case may be, for the purpose of determining the arithmetic mean (rounded as provided above) of such offered quotations.

In the case of Notes other than Swedish Registered Notes and VPS Notes, the Agency Agreement contains provisions for determining the Rate of Interest in the event that the Relevant Screen Page is not available or if, in the case of (1) above, no such offered quotation appears or, in the case of (2)

above, fewer than three such offered quotations appear, in each case as at the time specified in the preceding paragraph.

In the case of VPS Notes, in the event that the Relevant Screen Page is not available or if, in the case of (1) above, no such offered quotation appears or, in the case of (2) above, fewer than three such offered quotations appear, in each case as at the time specified in the second preceding paragraph, the VPS Calculation Agent shall request each of the Reference Banks to provide the VPS Calculation Agent with its offered quotation (expressed as a percentage rate per annum) for the Reference Rate at the time specified in the second preceding paragraph on the Interest Determination Date in question. If two or more of the Reference Banks provide the VPS Calculation Agent with such offered quotations, the Rate of Interest for such Interest Period shall be the arithmetic mean (rounded if necessary to the fifth decimal place with 0.000005 being rounded upwards) of such offered quotations plus or minus (as appropriate) the Margin (if any), all as determined by the VPS Calculation Agent. If on any Interest Determination Date one only or none of the Reference Banks provides the VPS Calculation Agent with such offered quotations as provided in the preceding paragraph, the Rate of Interest for the relevant Interest Period shall be the rate per annum which the VPS Calculation Agent determines as being the arithmetic mean (rounded if necessary to the fifth decimal place, with 0.000005 being rounded upwards) of the rates, as communicated to (and at the request of) the VPS Calculation Agent by the Reference Banks or any two or more of them, at which such banks were offered, at approximately the time specified in the second preceding paragraph on the relevant Interest Determination Date, deposits in the Specified Currency for a period equal to that which would have been used for the Reference Rate by leading banks in the London interbank market (if the Reference Rate is LIBOR), the Euro-zone interbank market (if the Reference Rate is EURIBOR), the Stockholm interbank market (if the Reference Rate is STIBOR) or the Norwegian interbank market (if the Reference Rate is NIBOR) plus or minus (as appropriate) the Margin (if any) or, if fewer than two of the Reference Banks provide the VPS Calculation Agent with such offered rates, the offered rate for deposits in the Specified Currency for a period equal to that which would have been used for the Reference Rate, or the arithmetic mean (rounded as provided above) of the offered rates for deposits in the Specified Currency for a period equal to that which would have been used for the Reference Rate, at which, at approximately the time specified in the second preceding paragraph on the relevant Interest Determination Date, any one or more banks (which bank or banks is or are in the opinion of the Issuer suitable for such purpose) informs the VPS Calculation Agent it is quoting to leading banks in the London interbank market (if the Reference Rate is LIBOR), the Euro-zone interbank market (if the Reference Rate is EURIBOR), the Stockholm interbank market (if the Reference Rate is STIBOR) or the Norwegian interbank market (if the Reference Rate is NIBOR) plus or minus (as appropriate) the Margin (if any), provided that, if the Rate of Interest cannot be determined in accordance with the foregoing provisions of this paragraph, the Rate of Interest shall be determined as at the last preceding Interest Determination Date (though substituting, where a different Margin is to be applied to the relevant Interest Period from that which applied to the last preceding Interest Period, the Margin relating to the relevant Interest Period, in place of the Margin relating to that last preceding Interest Period). "**Reference Banks**" means, in the case of a determination of LIBOR, the principal London office of four major banks in the London interbank market, in the case of a determination of

EURIBOR, the principal Euro-zone office of four major banks in the Euro-zone interbank market, in the case of a determination of STIBOR, the principal Stockholm office of four major banks in the Stockholm interbank market and in the case of a determination of NIBOR, the principal Norway office of four major banks in the Norwegian interbank market, in each case selected by the VPS Calculation Agent.

In the case of Swedish Registered Notes, such provisions will be as set out in the applicable Final Terms.

(C) *Benchmark Discontinuation*

This Condition 4(b)(ii)(C) applies only where (i) Screen Rate Determination is specified in the applicable Final Terms as the manner in which the Rate of Interest is to be determined and (ii) "Benchmark Replacement" is specified as being applicable in the applicable Final Terms.

(1) *Independent Adviser*

Notwithstanding Condition 4(b)(ii)(B), if a Benchmark Event occurs in relation to an Original Reference Rate when any Rate of Interest (or any component part thereof) remains to be determined by reference to such Original Reference Rate, then the Issuer shall use its reasonable endeavours to appoint and consult with an Independent Adviser, as soon as reasonably practicable, with a view to the Issuer determining a Successor Rate, failing which an Alternative Rate (in accordance with Condition 4(b)(ii)(C)(2)) and, in either case, an Adjustment Spread (if any) (in accordance with Condition 4(b)(ii)(C)(3)) and any Benchmark Amendments (in accordance with Condition 4(b)(ii)(C)(4)).

An Independent Adviser appointed pursuant to this Condition 4(b)(ii)(C) shall act in good faith and in a commercially reasonable manner and in consultation with the Issuer. In the absence of bad faith or fraud, the Independent Adviser shall have no liability whatsoever to the Agent, the Paying Agents, the Calculation Agent (if applicable), (in the case of VPS Notes) the VPS Agent, the VPS Trustee and the VPS Calculation Agent or the Noteholders for any advice given to the Issuer in connection with any determination made by the Issuer pursuant to this Condition 4(b)(ii)(C).

If (i) the Issuer is unable to appoint an Independent Adviser; or (ii) the Issuer fails to determine a Successor Rate or, failing which, an Alternative Rate in accordance with this Condition 4(b)(ii)(C)(1) prior to the relevant Interest Determination Date, the Rate of Interest applicable to the next succeeding Interest Period shall be determined by reference to the fallback provisions of Condition 4(b)(ii)(B). For the avoidance of doubt, this sub-paragraph shall apply to the relevant next succeeding Interest Period only and any subsequent Interest Periods are subject to the subsequent operation of, and to adjustment as provided in, this Condition 4(b)(ii)(C).

(2) *Successor Rate or Alternative Rate*

If the Issuer, following consultation with the Independent Adviser and acting in good faith and in a commercially reasonable manner, determines that:

- (i) there is a Successor Rate, then such Successor Rate shall (subject to adjustment as provided in Condition 4(b)(ii)(C)(3)) subsequently be used in place of the Original Reference Rate to determine the Rate of Interest (or the relevant component part thereof) for all future payments of interest on the Notes (subject to the operation of this Condition 4(b)(ii)(C)); or
- (ii) there is no Successor Rate but that there is an Alternative Rate, then such Alternative Rate shall (subject to adjustment as provided in Condition 4(b)(ii)(C)(3)) subsequently be used in place of the Original Reference Rate to determine the Rate of Interest (or the relevant component part thereof) for all future payments of interest on the Notes (subject to the operation of this Condition 4(b)(ii)(C)).

(3) *Adjustment Spread*

If the Issuer, following consultation with the Independent Adviser and acting in good faith and in a commercially reasonable manner, determines (i) that an Adjustment Spread is required to be applied to the Successor Rate or the Alternative Rate (as the case may be) and (ii) the quantum of, or a formula or methodology for determining, such Adjustment Spread, then such Adjustment Spread shall be applied to the Successor Rate or the Alternative Rate (as the case may be).

(4) *Benchmark Amendments*

If any Successor Rate, Alternative Rate or Adjustment Spread is determined in accordance with this Condition 4(b)(ii)(C) and the Issuer, following consultation with the Independent Adviser and acting in good faith and in a commercially reasonable manner, determines (i) that amendments to these Conditions, the Agency Agreement or (in the case of VPS Notes) the VPS Trustee Agreement are necessary to ensure the proper operation of such Successor Rate, Alternative Rate and/or Adjustment Spread (such amendments, the "**Benchmark Amendments**") and (ii) the terms of the Benchmark Amendments, then the Issuer shall, subject to giving notice thereof in accordance with Condition 4(b)(ii)(C)(5), without any requirement for the consent or approval of Noteholders, vary these Conditions, the Agency Agreement and/or the VPS Trustee Agreement, as applicable, to give effect to such Benchmark Amendments with effect from the date specified in such notice.

At the request of the Issuer, but subject to receipt by the Agent or (in the case of VPS Notes only) the VPS Trustee of a certificate signed by two directors of the Issuer pursuant to Condition 4(b)(ii)(C)(5),

the Agent or (in the case of VPS Notes only) the VPS Trustee shall (at the expense and direction of the Issuer), without any requirement for the consent or approval of the Noteholders or the Couponholders, be obliged to use its reasonable endeavours to implement any Benchmark Amendments (including, *inter alia*, by the execution of an agreement supplemental to or amending the Agency Agreement or the VPS Trustee Agreement, as the case may be) and neither the Agent nor the VPS Trustee shall be liable to any party for any consequences thereof, provided that neither the Agent nor the VPS Trustee shall be obliged so to implement if in the opinion of the Agent or the VPS Trustee (as applicable) doing so would impose more onerous obligations upon it or expose it to any additional duties, responsibilities or liabilities or reduce or amend the rights and/or the protective provisions afforded to it in these Conditions and/or any documents to which it is a party (including, for the avoidance of doubt, any supplemental agency agreement or supplemental VPS trust agreement) in any way.

In connection with any such variation in accordance with this Condition 4(b)(ii)(C)(4), the Issuer shall comply with the rules of any stock exchange on which the Notes are for the time being listed or admitted to trading.

(5) Notices, etc.

Any Successor Rate, Alternative Rate, Adjustment Spread and the specific terms of any Benchmark Amendments, determined under this Condition 4(b)(ii)(C) will be notified promptly by the Issuer to the Agent, the Paying Agents, the Calculation Agent (if applicable), (in the case of VPS Notes) the VPS Agent, the VPS Trustee and the VPS Calculation Agent and, in accordance with Condition 13, the Noteholders. Such notice shall be irrevocable and shall specify the effective date of the Benchmark Amendments (if any).

No later than notifying the Agent or (in the case of VPS Notes only) the VPS Trustee of the same, the Issuer shall deliver to the Agent or (in the case of VPS Notes only) the VPS Trustee a certificate signed by two directors of the Issuer:

- (i) confirming (I) that a Benchmark Event has occurred, (II) the Successor Rate or, as the case may be, the Alternative Rate, (III) where applicable, any Adjustment Spread and (IV) the specific terms of any Benchmark Amendments, in each case as determined in accordance with the provisions of this Condition 4(b)(ii)(C); and
- (ii) certifying that the Benchmark Amendments are necessary to ensure the proper operation of such Successor Rate, Alternative Rate and/or Adjustment Spread.

The Agent or (in the case of VPS Notes only) the VPS Trustee shall be entitled to rely on such certificate (without enquiry or liability to any person) as sufficient evidence thereof. For the avoidance of doubt, neither the Agent nor (in the case of VPS Notes only) the VPS

Trustee shall be liable to the Noteholders or any other person for so acting or relying on such certificate, irrespective of whether any such modification is or may be materially prejudicial to the interests of any such person. The Successor Rate or Alternative Rate and the Adjustment Spread (if any) and the Benchmark Amendments (if any) specified in such certificate will (in the absence of manifest error in the determination of the Successor Rate or Alternative Rate and the Adjustment Spread (if any) and the Benchmark Amendments (if any) and without prejudice to the Agent's or the VPS Trustee's ability to rely on such certificate as aforesaid) be binding on the Issuer, the Agent, the Paying Agents, the Calculation Agent (if applicable), (in the case of VPS Notes) the VPS Agent, the VPS Trustee, the VPS Calculation Agent and the Noteholders.

(6) *Survival of Original Reference Rate*

Without prejudice to the obligations of the Issuer under Condition 4(b)(ii)(C)(1), 4(b)(ii)(C)(2), 4(b)(ii)(C)(3) and 4(b)(ii)(C)(4), the Original Reference Rate and the fallback provisions provided for in Condition 4(b)(ii)(B) will continue to apply unless and until a Benchmark Event has occurred, an Independent Adviser has been appointed, and the Agent or (in the case of VPS Notes only) the VPS Trustee has been notified of the Successor Rate or the Alternative Rate (as the case may be), and any Adjustment Spread and Benchmark Amendments, in accordance with Condition 4(b)(ii)(C)(5).

(7) Definitions

As used in this Condition 4(b)(ii)(C):

"Adjustment Spread" means either a spread (which may be positive or negative), or the formula or methodology for calculating a spread, in either case, which the Issuer, following consultation with the Independent Adviser and acting in good faith and in a commercially reasonable manner, determines is required to be applied to the Successor Rate or the Alternative Rate (as the case may be) to reduce or eliminate, to the fullest extent reasonably practicable in the circumstances, any economic prejudice or benefit (as the case may be) to Noteholders as a result of the replacement of the Original Reference Rate with the Successor Rate or the Alternative Rate (as the case may be) and is the spread, formula or methodology which:

- (i) in the case of a Successor Rate, is formally recommended in relation to the replacement of the Original Reference Rate with the Successor Rate by any Relevant Nominating Body; or (if no such recommendation has been made, or in the case of an Alternative Rate);
- (ii) the Issuer, following consultation with the Independent Adviser and acting in good faith and in a commercially reasonable manner determines, is recognised or acknowledged as being the industry standard for over-the-counter derivative transactions which reference the Original

Reference Rate, where such rate has been replaced by the Successor Rate or the Alternative Rate (as the case may be); or (if the Issuer determines that no such industry standard is recognised or acknowledged); or

- (iii) the Issuer, in its discretion, following consultation with the Independent Adviser and acting in good faith and in a commercially reasonable manner, determines to be appropriate;

"Alternative Rate" means an alternative benchmark or screen rate which the Issuer following consultation with the Independent Adviser and acting in good faith and in a commercially reasonable manner, determines in accordance with Condition 4(b)(ii)(C)(2) has replaced the Original Reference Rate in customary market usage in the international debt capital markets for the purposes of determining floating rates of interest (or the relevant component part thereof) in the same Specified Currency as the Notes;

Benchmark Amendments has the meaning given to it in Condition 4(b)(ii)(C)(4);

Benchmark Event means:

- (i) the Original Reference Rate ceasing to be published for a period of at least 5 Business Days or ceasing to exist; or
- (ii) the later of (A) the making of a public statement by the administrator of the Original Reference Rate that it will, on or before a specified date, cease publishing the Original Reference Rate permanently or indefinitely (in circumstances where no successor administrator has been appointed that will continue publication of the Original Reference Rate) and (B) the date falling six months prior to the date specified in (ii)(A); or
- (iii) the making of a public statement by the supervisor of the administrator of the Original Reference Rate that the Original Reference Rate has been permanently or indefinitely discontinued; or
- (iv) the later of (A) the making of a public statement by the supervisor of the administrator of the Original Reference Rate that the Original Reference Rate will, on or before a specified date, be permanently or indefinitely discontinued and (B) the date falling six months prior to the date specified in (iv)(A); or
- (v) the later of (A) the making of a public statement by the supervisor of the administrator of the Original Reference Rate as a consequence of which the Original Reference Rate will, on or before a specified date, be prohibited from being used either generally, or in respect of the Notes and (B) the

date falling six months prior to the date specified in (v)(A);
or

- (vi) it has or will become unlawful for the Agent, the Calculation Agent (if applicable), (in the case of VPS Notes) the VPS Calculation Agent or the Issuer to calculate any payments due to be made to any Noteholders using the Original Reference Rate;

"Independent Adviser" means an independent financial institution of international repute or an independent financial adviser with appropriate expertise appointed by the Issuer at its own expense under Condition 4(b)(ii)(C)(1) and notified in writing to the Agent or (in the case of VPS Notes only) the VPS Trustee;

Original Reference Rate means the originally-specified benchmark or screen rate (as applicable) used to determine the Rate of Interest (or any component part thereof) on the Notes;

Relevant Nominating Body means, in respect of a benchmark or screen rate (as applicable):

- (i) the central bank for the currency to which the benchmark or screen rate (as applicable) relates, or any central bank or other supervisory authority which is responsible for supervising the administrator of the benchmark or screen rate (as applicable); or
- (ii) any working group or committee sponsored by, chaired or co-chaired by or constituted at the request of (a) the central bank for the currency to which the benchmark or screen rate (as applicable) relates, (b) any central bank or other supervisory authority which is responsible for supervising the administrator of the benchmark or screen rate (as applicable), (c) a group of the aforementioned central banks or other supervisory authorities or (d) the Financial Stability Board or any part thereof; and

"Successor Rate" means a successor to or replacement of the Original Reference Rate which is formally recommended by any Relevant Nominating Body.

(iii) *Minimum and/or Maximum Interest Rate*

If the applicable Final Terms specifies a Minimum Interest Rate for any Interest Period, then, in the event that the Rate of Interest in respect of such Interest Period determined in accordance with the provisions of Condition 4(b)(ii) above is less than such Minimum Interest Rate, the Rate of Interest for such Interest Period shall be such Minimum Interest Rate.

If the applicable Final Terms specifies a Maximum Interest Rate for any Interest Period, then, in the event that the Rate of Interest in respect of such Interest Period determined in accordance with the provisions of Condition 4(b)(ii) above is greater

than such Maximum Interest Rate, the Rate of Interest for such Interest Period shall be such Maximum Interest Rate.

(iv) *Determination of Rate of Interest and Calculation of Interest Amounts*

The Agent, in the case of Floating Rate Notes other than Floating Rate Notes which are Swedish Registered Notes or VPS Notes, the Calculation Agent, in the case of Floating Rate Notes which are Swedish Registered Notes, or the VPS Calculation Agent, in the case of Floating Rate Notes which are VPS Notes, will at or as soon as practicable after each time at which the Rate of Interest is to be determined, determine the Rate of Interest for the relevant Interest Period.

The Agent, in the case of Floating Rate Notes other than Floating Rate Notes which are Swedish Registered Notes or VPS Notes, the Calculation Agent, in the case of Floating Rate Notes which are Swedish Registered Notes, or the VPS Calculation Agent, in the case of Floating Rate Notes which are VPS Notes, will calculate the amount of interest (the "**Interest Amount**") payable on the Floating Rate Notes for the relevant Interest Period by applying the Rate of Interest to:

- (A) in the case of Floating Rate Notes which are represented by a Global Note or which are VPS Notes, the aggregate outstanding nominal amount outstanding of the Notes represented by such Global Note or which are VPS Notes; or
- (B) in the case of Swedish Registered Notes, the aggregate outstanding nominal amount of the Floating Rate Notes appearing on the register maintained by Euroclear Sweden on behalf of the Issuer;
- (C) in the case of Floating Rate Notes in definitive form, the Calculation Amount;

and, in each case, multiplying such sum by the applicable Day Count Fraction, and rounding the resultant figure to the nearest sub-unit of the relevant Specified Currency, half of any such sub-unit being rounded upwards or otherwise in accordance with applicable market convention. Where the Specified Denomination of a Floating Rate Note in definitive form is a multiple of the Calculation Amount, the Interest Amount payable in respect of such Note shall be the product of the amount (determined in the manner provided above) for the Calculation Amount and the amount by which the Calculation Amount is multiplied to reach the Specified Denomination without any further rounding.

"Day Count Fraction" means, in respect of the calculation of an amount of interest for any Interest Period:

- (i) if "**Actual/Actual ISDA**" or "**Actual/Actual**" is specified in the applicable Final Terms, the actual number of days in the Interest Period divided by 365 (or, if any portion of that Interest Period falls in a leap year, the sum of (A) the actual number of days in that portion of the Interest Period falling in a leap year divided by 366 and (B) the actual number of days in that portion of the Interest Period falling in a non-leap year divided by 365);

- (v) *Notification of Rate of Interest and Interest Amounts*

The Agent, in the case of Notes other than Swedish Registered Notes or VPS Notes, the Calculation Agent, in the case of Swedish Registered Notes, or the VPS Calculation Agent, in the case of VPS Notes, will cause the Rate of Interest and each Interest Amount for each Interest Period and the relevant Interest Payment Date to be notified to the Issuer, (in the case of VPS Notes) the VPS Agent and the VPS Trustee and any stock exchange on which the relevant Floating Rate Notes are for the time being listed and notice thereof to be published in accordance with Condition 13 as soon as possible after their determination but in no event later than the fourth London Business Day thereafter. Each Interest Amount and Interest Payment Date so notified may subsequently be amended (or appropriate alternative arrangements made by way of adjustment) without prior notice in the event of an extension or shortening of the Interest Period. Any such amendment will promptly be notified to each stock exchange on which the relevant Floating Rate Notes are for the time being listed and to the Noteholders in accordance with Condition 13. For the purposes of this paragraph, the expression "**London Business Day**" means a day (other than a Saturday or a Sunday) on which banks and foreign exchange markets are open for business in London.

For the avoidance of doubt, in respect of Notes admitted to trading on the Luxembourg Stock Exchange, the Rate of Interest and each Interest Amount for each Interest Period and the relevant Interest Payment Date, and any amendments thereto, will be notified to the Luxembourg Stock Exchange no later than the first day of the Interest Period.

(vi) *Certificates to be Final*

All certificates, communications, opinions, determinations, calculations, quotations and decisions given, expressed, made or obtained for the purposes of the provisions of this Condition 4(b), whether by the Agent, the Calculation Agent or the VPS Calculation Agent, as applicable, shall (in the absence of wilful default, bad faith or manifest error) be binding on the Issuer, the Agent, the Calculation Agent (if applicable), the other Paying Agents, (in the case of VPS Notes) the VPS Agent, the VPS Trustee and the VPS Calculation Agent and all Noteholders and Couponholders and (in the absence as aforesaid) no liability to the Issuer, the Noteholders or the Couponholders shall attach to the Agent, the Calculation Agent or the VPS Calculation Agent (as applicable) in connection with the exercise or non-exercise by it of its powers, duties and discretions pursuant to such provisions.

(c) *Accrual of Interest*

Each Note (or, in the case of the redemption of part only of a Note, that part only of such Note) will cease to bear interest (if any) from the date for its redemption unless, upon due presentation thereof, payment of principal is improperly withheld or refused. In such event in respect of Notes other than Swedish Registered Notes, interest will continue to accrue until whichever is the earlier of:

- (1) the date on which all amounts due in respect of such Note have been paid; and
- (2) five days after the date on which the full amount of the moneys payable has been received by the Agent or the VPS Agent, as applicable, and notice to that effect has been given in accordance with Condition 13.

In such event in respect of Swedish Registered Notes, interest will continue to accrue until the date the holders of the Swedish Registered Notes receive the full amount of such payments.

5. Payments

(a) *Method of Payment*

Subject as provided below:

- (i) payments in a Specified Currency other than euro will be made by credit or transfer to an account in the relevant Specified Currency maintained by the payee with a bank in the principal financial centre of the country of such Specified Currency (which, if the Specified Currency is Australian dollars or New Zealand dollars, shall be Sydney or Auckland, respectively); and
- (ii) payments in euro will be made by credit or transfer to a euro account (or any other account to which euro may be credited or transferred) specified by the payee.

Payments will be subject in all cases to (i) any fiscal or other laws and regulations applicable thereto in the place of payment, but without prejudice to the provisions of Condition 7 and (ii) any withholding or deduction required pursuant to an agreement described in Section 1471(b) of the U.S. Internal Revenue Code of 1986 (the "**Code**") or otherwise imposed pursuant to Sections 1471 through 1474 of the Code, any regulations or agreements thereunder, any official interpretations thereof, or (without prejudice to the provisions of Condition 7) any law implementing an intergovernmental approach thereto.

References to "**Specified Currency**" will include any successor currency under applicable law.

(b) Presentation of Notes and Coupons

Payments of principal in respect of definitive Notes will (subject as provided below) be made in the manner provided in paragraph (a) above only against surrender of definitive Notes, and payments of interest in respect of definitive Notes will (subject as provided below) be made as aforesaid only against surrender of Coupons, in each case at the specified office of any Paying Agent outside the United States (which expression, as used herein, means the United States of America (including the States and the District of Columbia, its territories, its possessions and other areas subject to its jurisdiction)).

Fixed Rate Notes in definitive form should be presented for payment together with all unmatured Coupons appertaining thereto (which expression shall for this purpose include Coupons falling to be issued on exchange of matured Talons), failing which the amount of any missing unmatured Coupon (or, in the case of payment not being made in full, the same proportion of the amount of such missing unmatured Coupon as the sum so paid bears to the sum due) will be deducted from the sum due for payment. Each amount of principal so deducted will be paid in the manner mentioned above against surrender of the relative missing Coupon at any time before the expiry of 10 years after the Relevant Date (as defined in Condition 7) in respect of such principal (whether or not such Coupon would otherwise have become void under Condition 8) or, if later, five years from the date on which such Coupon would otherwise have become due, but in no event thereafter.

Upon any Fixed Rate Note becoming due and repayable prior to its Maturity Date, all unmatured Talons (if any) appertaining thereto will become void and no further Coupons will be issued in respect thereof.

Upon the date on which any Floating Rate Note or Long Maturity Note in definitive form becomes due and repayable, unmatured Coupons and Talons (if any) relating thereto (whether or not attached) shall become void and no payment or, as the case may be, exchange for further Coupons shall be made in respect thereof. A "**Long Maturity Note**" is a Fixed Rate Note (other than a Fixed Rate Note which on issue had a Talon attached) whose nominal amount on issue is less than the aggregate interest payable thereon provided that such Note shall cease to be a Long Maturity Note on the Interest Payment Date on which the aggregate amount of interest remaining to be paid after that date is less than the nominal amount of such Note.

If the due date for redemption of any definitive Note is not a Fixed Interest Date or an Interest Payment Date, interest (if any) accrued in respect of such Note from (and including) the preceding Fixed Interest Date or Interest Payment Date or, as the case may be, the Interest Commencement Date shall be payable only against surrender of the relevant definitive Note.

Payments of principal and interest (if any) in respect of Notes represented by any global Note will (subject as provided below) be made in the manner specified above in relation to definitive Notes and otherwise in the manner specified in the relevant global Note against presentation or surrender, as the case may be, of such global Note at the specified office of any Paying Agent. A record of each payment made against presentation or surrender of such global Note, distinguishing between any payment of principal and any payment of interest, will be made either on such global Note by such Paying Agent and such record shall be *prima facie* evidence that the payment in question has been made or in the records of Euroclear and Clearstream, Luxembourg, as applicable.

The holder of a global Note shall be the only person entitled to receive payments in respect of Notes represented by such global Note and the Issuer will be discharged by payment to, or to the order of, the holder of such global Note in respect of each amount so paid. Each of the persons shown in the records of Euroclear or Clearstream, Luxembourg as the beneficial holder of a particular nominal amount of Notes represented by such global Note must look solely to Euroclear or Clearstream, Luxembourg, as the case may be, for his share of each payment so made by the Issuer to, or to the order of, the holder of such global Note.

Notwithstanding the foregoing, if any amount of principal and/or interest in respect of this Note is payable in U.S. dollars, such U.S. dollar payments of principal and/or interest in respect of this Note will be made at the specified office of a Paying Agent in the United States if:

- (i) the Issuer has appointed Paying Agents with specified offices outside the United States with the reasonable expectation that such Paying Agents would be able to make payment in U.S. dollars at such specified offices outside the United States of the full amount of principal and interest on the Notes in the manner provided above when due;
- (ii) payment of the full amount of such principal and interest at all such specified offices outside the United States is illegal or effectively precluded by exchange controls or other similar restrictions on the full payment or receipt of principal and interest in U.S. dollars; and
- (iii) such payment is then permitted under United States law without involving, in the opinion of the Issuer, adverse tax consequences to the Issuer.

Payments of principal and interest in respect of Swedish Registered Notes will be made to the persons registered as Noteholders in the register maintained by Euroclear Sweden on the fifth Stockholm Business Day (or such other day which may become customary on the Swedish bond market, which in respect of Swedish Registered Notes denominated in Swedish Kronor is expected to be the third Stockholm Business Day) prior to the Interest Payment Date or the Maturity Date, as the case may be, and in accordance with the rules and procedures applied by Euroclear Sweden from time to time.

As used herein, "**Stockholm Business Day**" means a day on which commercial banks and foreign exchange markets are open for business in Stockholm.

Payments of principal and interest in respect of VPS Notes shall be made by, or on behalf of, the Issuer to the holders shown in the relevant records of VPS in accordance with, and subject to the rules and regulations from time to time governing, VPS.

(c) ***Payment Day for Notes other than Swedish Registered Notes***

If the date for payment of any amount in respect of any Note or Coupon is not a Payment Day, the holder thereof shall not be entitled to payment until the next following Payment Day in the relevant place and shall not be entitled to further interest or other payment in respect of such delay. For these purposes, "**Payment Day**" means any day which (subject to Condition 8) is:

- (i) a day on which commercial banks and foreign exchange markets settle payments and are open for general business (including dealing in foreign exchange and foreign currency deposits) in:

- (A) in the case of Notes in definitive form only, the relevant place of presentation;
 - (B) each Additional Financial Centre (other than the TARGET2 System) specified in the applicable Final Terms;
 - (C) if TARGET2 System is specified as an Additional Financial Centre in the applicable Final Terms, a day on which the TARGET2 System is open;
 - (D) in the case of VPS Notes only, Oslo; and
- (ii) either (1) in relation to any sum payable in a Specified Currency other than euro, a day on which commercial banks and foreign exchange markets settle payments and are open for general business (including dealing in foreign exchange and foreign currency deposits) in the principal financial centre of the country of the relevant Specified Currency (if other than the place of presentation, any Additional Financial Centre and which if the Specified Currency is Australian dollars or New Zealand dollars shall be Sydney or Auckland, respectively) or (2) in relation to any sum payable in euro, a day on which the TARGET2 System is open.

(d) *Payment Date for Swedish Registered Notes*

If the date for payment of any amount in respect of Swedish Registered Notes is not a Payment Day, the holder thereof shall not be entitled to payment until the next following Payment Day and shall not be entitled to further interest or other payment in respect of such delay. For these purposes, unless otherwise specified in the applicable Final Terms, "**Payment Day**" means any day which (subject to Condition 8) is a day on which commercial banks are open for general business in Stockholm.

(e) *Interpretation of Principal and Interest*

Any reference in these Terms and Conditions to principal in respect of the Notes shall be deemed to include, as applicable:

- (i) any additional amounts which may be payable with respect to principal under Condition 7;
- (ii) the Final Redemption Amount of the Notes;
- (iii) the Early Redemption Amount of the Notes;
- (iv) the Optional Redemption Amount(s) (if any) of the Notes; and
- (v) any premium and any other amounts (other than interest) which may be payable by the Issuer under or in respect of the Notes.

Any reference in these Terms and Conditions to interest in respect of the Notes shall be deemed to include, as applicable, any additional amounts which may be payable with respect to interest under Condition 8.

6. Redemption and Purchase

(a) *At Maturity*

Unless previously redeemed or purchased and cancelled as specified below, each Note will be redeemed by the Issuer at its Final Redemption Amount specified in the applicable Final Terms in the relevant Specified Currency on the Maturity Date specified in the applicable Final Terms.

(b) *Redemption for Tax Reasons*

Subject to Condition 6(f), the Notes may be redeemed at the option of the Issuer in whole, but not in part, at any time (if this Note is not a Floating Rate Note) or on any Interest Payment Date (if this Note is a Floating Rate Note), on giving not less than the minimum period and not more than the maximum period of notice specified in the applicable Final Terms to the Agent (in the case of Notes other than Swedish Registered Notes or VPS Notes), Euroclear Sweden (in the case of Swedish Registered Notes) or the VPS Agent (in the case of VPS Notes) and, in accordance with Condition 13, the Noteholders (which notice shall be irrevocable), if:

- (i) on the occasion of the next payment due under the Notes, the Issuer has or will become obliged to pay additional amounts as provided or referred to in Condition 7 as a result of any change in, or amendment to, the laws or regulations of Sweden or any political subdivision or any authority thereof or therein having power to tax, or any change in the application or official interpretation of such laws or regulations, which change or amendment becomes effective on or after the Issue Date of the first Tranche of the Notes; and
- (ii) such obligation cannot be avoided by the Issuer taking reasonable measures available to it,

provided that no such notice of redemption shall be given earlier than 90 days prior to the earliest date on which the Issuer would be obliged to pay such additional amounts were a payment in respect of the Notes then due.

Prior to the publication of any notice of redemption pursuant to this Condition, the Issuer shall deliver to the Agent (in the case of Notes other than Swedish Registered Notes or VPS Notes), Euroclear Sweden (in the case of Swedish Registered Notes) or the VPS Trustee (in the case of VPS Notes) to make available at its specified office to the Noteholders (i) a certificate signed by two authorised officers of the Issuer stating that the Issuer is entitled to effect such redemption and setting forth a statement of facts showing that the conditions precedent to the right of the Issuer so to redeem have occurred, and (ii) an opinion of independent legal advisers of recognised standing to the effect that the Issuer has or will become obliged to pay such additional amounts as a result of such change or amendment.

Notes redeemed pursuant to this Condition 6(b) will be redeemed at their Early Redemption Amount referred to in paragraph (e) below together (if appropriate) with interest accrued to (but excluding or, in the case of Swedish Registered Notes, and including) the date of redemption.

(c) *Redemption at the Option of the Issuer ("Issuer Call")*

If Issuer Call is specified as being applicable in the applicable Final Terms, the Issuer shall, having given not less than the minimum period nor more than the maximum period of notice

specified in the applicable Final Terms to the Noteholders in accordance with Condition 13 (which notices shall be irrevocable and shall specify the date fixed for redemption), redeem all or some only of the Notes then outstanding on any Optional Redemption Date and at the Optional Redemption Amount(s) specified in, or determined in the manner specified in, the applicable Final Terms together, if appropriate, with interest accrued to (but excluding or, in the case of Swedish Registered Notes, and including) the relevant Optional Redemption Date. Any such redemption must be of a nominal amount not less than the Minimum Redemption Amount and not more than the Maximum Redemption Amount, in each case as may be specified in the applicable Final Terms. The Optional Redemption Amount will either be the specified percentage of the nominal amount of the Notes stated in the Final Terms or:

- (i) if "**Sterling Make-Whole Redemption Amount**" is specified in the applicable Final Terms as the Optional Redemption Amount, the Optional Redemption Amount shall be equal to the higher of (i) 100 per cent. of the principal amount outstanding of the Notes to be redeemed or (ii) the principal amount outstanding of the Notes to be redeemed multiplied by the price, as reported to the Issuer by the Financial Adviser, at which the Gross Redemption Yield on such Notes on the Reference Date is equal to the Gross Redemption Yield (determined by reference to the middle market price) at the Quotation Time specified in the applicable Final Terms on the Reference Date of the Reference Bond, plus the Redemption Margin, all as determined by the Financial Adviser; or
- (ii) if "**Non-Sterling Make-Whole Redemption Amount**" is specified in the applicable Final Terms as the Optional Redemption Amount, the Optional Redemption Amount shall be an amount calculated by the Financial Adviser equal to the higher of (i) 100 per cent. of the principal amount outstanding of the Notes to be redeemed or (ii) the sum of the then present values of the principal amount outstanding of the Notes to be redeemed and the Remaining Term Interest on such Note (exclusive of interest accrued to the date of redemption) discounted to the date of redemption on an annual basis at the Reference Bond Rate, plus the Redemption Margin.

In this Condition 6(c):

"**FA Selected Bond**" means a government security or securities selected by the Financial Adviser as having an actual or interpolated maturity comparable with the remaining term (or, in the case of any Par Call Notes, having an actual or interpolated maturity comparable to the Par Call Notes Redemption Date) of the Notes that would be utilised, at the time of selection and in accordance with customary financial practice, in pricing new issues of corporate debt securities denominated in the same currency as the Notes and of a comparable maturity to the remaining term of the Notes (or, in the case of any Par Call Notes, having a comparable maturity to the Par Call Notes Redemption Date);

"**Gross Redemption Yield**" means, in respect of a security, the gross redemption yield for such security, expressed as a percentage and calculated by the Financial Adviser on the basis set out by the United Kingdom Debt Management Office in the paper Formulae for Calculating Gilt Prices from Yields page 5, Section One: Price/Yield Formulae Conventional Gilts; Double-dated and Undated Gilts with Assumed (or Actual) Redemption on a Quasi-Coupon Date (published 08/06/1998 and updated on 15/01/2002 and 16/03/2005 (as amended and supplemented from time to time)) on a semi-annual compounding basis (converted to an annualised yield and rounded up (if necessary) to four decimal places) or on such other basis as the Issuer may approve;

"Par Call Notes" means any Notes in respect of which: (i) Issuer Call is specified as being applicable in the applicable Final Terms; (ii) any Optional Redemption Amount is specified as being an amount per Calculation Amount equal to the Calculation Amount (such Optional Redemption Amount, the **"Par Call Amount"**);

"Redemption Margin" shall be as set out in the applicable Final Terms;

"Reference Bond Price" means, with respect to any date of redemption, (A) the arithmetic average of the Reference Government Bond Dealer Quotations for such date of redemption, after excluding the highest and lowest such Reference Government Bond Dealer Quotations, or (B) if the Financial Adviser obtains fewer than four such Reference Government Bond Dealer Quotations, the arithmetic average of all such quotations;

"Reference Bond Rate" means, with respect to any date of redemption, the rate per annum equal to the annual yield to maturity or interpolated yield to maturity (on the relevant day count basis) of the Reference Bond, assuming a price for the Reference Bond (expressed as a percentage of its nominal amount) equal to the Reference Bond Price for such date of redemption;

"Reference Date" will be set out in the relevant notice of redemption;

"Remaining Term Interest" means, with respect to any Note, the aggregate amount of scheduled payment(s) of interest on such Note for the remaining term (or, in the case of any Par Call Notes, the aggregate amount scheduled payment(s) of interest on such Notes up to and including the Par Call Notes Redemption Date) of such Note determined on the basis of the rate of interest applicable to such Note from and including the date on which such Note is to be redeemed by the Issuer pursuant to this Condition.

All notifications, opinions, determinations, certifications, calculations, quotations and decisions given, expressed, made or obtained for the purposes of this Condition by the Financial Adviser, shall (in the absence of negligence, wilful default or bad faith) be binding on the Issuer, the Agent, the Paying Agents, (in the case of VPS Notes) the VPS Agent and the VPS Trustee and all Noteholders and Couponholders.

In the case of a partial redemption of Notes, the Notes to be redeemed (**"Redeemed Notes"**) will be selected:

- (i) individually by lot, in the case of Redeemed Notes represented by definitive Notes;

- (iii) in accordance with the rules of Euroclear Sweden in the case of Redeemed Notes which are Swedish Registered Notes; and
- (iv) in accordance with the standard procedures of VPS, in the case of Redeemed Notes which are VPS Notes,

In the case of Redeemed Notes represented by definitive Notes, a list of the serial numbers of such Redeemed Notes will be published in accordance with Condition 13 not less than 15 days prior to the date fixed for redemption. No exchange of the relevant global Note will be permitted during the period from and including the Selection Date to and including the date fixed for redemption pursuant to this Condition 6(c) and notice to that effect shall be given by the Issuer to the Noteholders in accordance with Condition 13 at least 5 days prior to the Selection Date.

(d) *Redemption at the Option of the Noteholders ("Investor Put")*

If Investor Put is specified as being applicable in the applicable Final Terms, upon the holder of any Note giving to the Issuer in accordance with Condition 13 not less than the minimum period nor more than the maximum period of notice specified in the applicable Final Terms, the Issuer will, upon the expiry of such notice, redeem, in whole (but not in part), such Note on the Optional Redemption Date and at the Optional Redemption Amount together, if appropriate, with interest accrued to (but excluding or, in the case of Swedish Registered Notes, and including) the Optional Redemption Date.

In the case of Notes other than VPS Notes, to exercise the right to require redemption of this Note the holder of this Note must, if this Note is in definitive form, deliver such Note at the specified office of any Paying Agent (or, in the case of Swedish Registered Notes, the Issuing Agent) at any time during normal business hours of such Paying Agent (or, in the case of Swedish Registered Notes, the Issuing Agent) falling within the notice period, accompanied by a duly completed and signed notice of exercise in the form (for the time being current) obtainable from any specified office of any Paying Agent (or the Issuing Agent) (a "**Put Notice**") and in which the holder must specify a bank account to which payment is to be made under this Condition.

If this Note is represented by a global Note, to exercise the right to require redemption of this Note the holder of this Note must, within the notice period, give notice to the Agent of such exercise in accordance with the standard procedures of Euroclear and Clearstream, Luxembourg (which may include notice being given on his instruction by Euroclear, Clearstream, Luxembourg or any common depository for them to the Agent by electronic means) in a form acceptable to Euroclear and Clearstream, Luxembourg from time to time.

In the case of Swedish Registered Notes, a Put Notice will not be effective against the Issuer before the date on which the relevant Swedish Registered Notes have been transferred to the

account designated by the Issuing Agent and blocked for further transfer until the Optional Redemption Date by said Issuing Agent.

In the case of VPS Notes, to exercise the right to require redemption or purchase of this Note, the holder of this Note must, within the notice period, give notice to the VPS Agent of such exercise in accordance with the standard procedures of VPS, from time to time.

Any Put Notice or other notice given in accordance with the standard procedures of VPS given by a holder of any Note pursuant to this paragraph shall be irrevocable except where prior to the due date of redemption an Event of Default shall have occurred and be continuing in which event such holder, at its option, may elect by notice to the Issuer to withdraw the notice given pursuant to this paragraph and instead to declare such Note forthwith due and payable pursuant to Condition 9. In the case of Swedish Registered Notes, the right to require redemption of such Notes in accordance with this Condition 6(d) must be exercised in accordance with the rules and procedures of Euroclear Sweden and if there is any inconsistency between the foregoing and the rules and procedures of Euroclear Sweden, the rules and procedures of Euroclear Sweden shall prevail.

(e) ***Redemption at the option of the Noteholders ("Change of Control Put")***

(1) A "**Put Event**" will be deemed to occur if:

(i) any person or any persons acting in concert (as defined in the United Kingdom's City Code on Takeovers and Mergers in force on the date of the applicable Final Terms) or any person or persons acting on behalf of such person(s) (the "**Relevant Person**") at any time directly or indirectly own(s) or acquire(s): (A) more than 50 per cent. of the issued or allotted ordinary share capital of the Issuer or (B) such number of shares in the capital of the Issuer carrying more than 50 per cent. of the voting rights attached to the issued or allotted share capital of the Issuer that are normally exercisable at a general meeting of the Issuer (each, a "**Change of Control**"), provided that a Change of Control shall be deemed not to have occurred if all or substantially all of the shareholders of the Relevant Person are, or immediately prior to the event which would otherwise have constituted a Change of Control were, the shareholders of the Issuer with the same (or substantially the same) pro rata interest in the share capital of the Relevant Person as such shareholders have, or as the case may be, had in the share capital of the Issuer; and

(ii) on the date (the "**Relevant Announcement Date**") that is the earlier of (x) the date of the first public announcement of the relevant Change of Control; and (y) the date of the earliest Relevant Potential Change of Control Announcement (if any), the Notes carry from either of Moody's Investor Services Limited ("**Moody's**") and/or Standard & Poor's Rating Services, a division of The McGraw-Hill Companies, Inc. ("**S&P**") and/or any of their respective successors or any other rating agency (each a "**Substitute Rating Agency**") of equivalent international standing specified by the Issuer (each, a "**rating agency**"),

(A) an investment grade credit rating (Baa3/BBB-, or equivalent, or better), and such rating from any rating agency is within the Change of Control Period either downgraded to a non-investment grade credit rating (Ba1/BB+, or equivalent, or worse) or withdrawn and is not within the Change of Control Period subsequently (in the case of a downgrade) upgraded or (in the case of a withdrawal) reinstated to investment grade credit ratings by such rating agency; or

- (B) a non-investment grade credit rating (Ba1/BB+, or equivalent, or worse), and such rating from any rating agency is within the Change of Control Period either downgraded by one or more notches (for illustration, Ba1/BB+ to Ba2/BB being one notch) or withdrawn and is not within the Change of Control Period subsequently (in the case of a downgrade) upgraded or (in the case of a withdrawal) reinstated to its earlier credit rating or better by such rating agency; or
- (C) no credit rating, and no credit rating from another rating agency and no rating agency assigns within the Change of Control Period an investment grade credit rating to the Notes,

provided that if on the Relevant Announcement Date the Notes carry a credit rating from more than one rating agency, at least one of which is investment grade, then sub-paragraph (A) will apply; and

- (iii) in making the relevant decision(s) referred to above, each relevant rating agency announces publicly or confirms in writing to the Issuer that such decision(s) resulted, in whole or in part, from the occurrence of the Change of Control or the Relevant Potential Change of Control Announcement. Upon receipt by the Issuer of any such written confirmation, the Issuer shall forthwith give notice of such written confirmation to the Noteholders in accordance with Condition 13.

If the rating designations employed by either of Moody's or S&P are changed from those which are described in paragraph (ii) of the definition of "*Put Event*" above, or if a rating is procured from a Substitute Rating Agency, the Issuer shall determine the rating designations of Moody's or S&P or such Substitute Rating Agency (as appropriate) as are most equivalent to the prior rating designations of Moody's or S&P and this Condition 6(e) shall be read accordingly.

- (2) If a Put Event occurs, each Noteholder shall have the option to require the Issuer to redeem or, at the Issuer's option, purchase (or procure the purchase of) such Note on the Put Date (as defined below) at the Optional Redemption Amount. Such option shall operate as set out below.
- (3) Promptly upon the Issuer becoming aware that a Put Event has occurred the Issuer shall give notice (a "**Put Event Notice**") to the Noteholders in accordance with Condition 13 specifying the nature of the Put Event and the procedure for exercising the option contained in this Condition 6(e).
- (4) In the case of Notes other than VPS Notes, to exercise the option to require the redemption or purchase of a Note under this Condition 6(e) the Noteholder must, if this Note is in definitive form, deliver such Note, at the specified office of any Paying Agent (or, in the case of Swedish Registered Notes, the Issuing Agent), at any time during normal business hours of the relevant Paying Agent (or, in the case of Swedish Registered Notes, the Issuing Agent) falling within the period (the "**Put Period**") of 45 days after a Put Event Notice is given, accompanied by a duly signed and completed notice of exercise in the form (for the time being current) obtainable from the specified office of any Paying Agent (or, in the case of Swedish Registered Notes, the Issuing Agent) (a "**Change of Control Put Notice**"). The Note should be delivered together with all Coupons appertaining thereto, failing which the relevant Paying Agent will require payment of an amount equal to the face value of any missing such Coupon. Any amount so paid will be reimbursed to the Noteholder against presentation and surrender of the relevant missing Coupon (or any replacement therefor issued pursuant to Condition 10) at any time after such payment, but before the expiry of the

period of five years from the Relevant Date (as defined in Condition 7) in respect of such Coupon, but not thereafter. The Paying Agent to which such Note and Change of Control Put Notice are delivered will issue to the Noteholder concerned a non-transferable receipt in respect of the Note so delivered. Payment in respect of any Note so delivered will be made either (i) on the date which is seven days after the expiration of the Put Period (the "**Put Date**") by transfer to the bank account (if any) specified in the relevant Change of Control Put Notice; or (ii) if no such bank account is so specified, on or after the Put Date against presentation and surrender or (as the case may be) endorsement of such receipt at the specified office of any Paying Agent. A Change of Control Put Notice, once given, shall be irrevocable. For the purposes of these Conditions, pending redemption or purchase of the relevant Notes non-transferable receipts issued pursuant to this Condition 6(e) shall be treated as if they were Notes. The Issuer shall redeem or, at its option, purchase (or procure the purchase of) the relevant Notes on the Put Date unless previously redeemed and cancelled or purchased.

If this Note is represented by a global Note, to exercise the right to require redemption of this Note the holder of this Note must, within the notice period, give notice to the Agent of such exercise in accordance with the standard procedures of Euroclear and Clearstream, Luxembourg (which may include notice being given on his instruction by Euroclear, Clearstream, Luxembourg or any common depositary for them to the Agent by electronic means) in a form acceptable to Euroclear and Clearstream, Luxembourg from time to time.

In the case of Swedish Registered Notes, a Change of Control Put Notice will not be effective against the Issuer before the date on which the relevant Swedish Registered Notes have been transferred to the account designated by the Issuing Agent and blocked for further transfer until the Put Date by said Issuing Agent. The right to require redemption of any Swedish Registered Notes pursuant to this Condition 6(e) must be exercised in accordance with the rules and procedures of Euroclear Sweden and, if there is any inconsistency between the foregoing and the rules and procedures of Euroclear Sweden, the rules and procedures of Euroclear Sweden shall prevail.

Operations in former segment region Eurasia are reported as discontinued operations and assets held for sale. All operations in Eurasia except for Moldcell in Moldova were disposed of by year-end 2018.

During 2018, the Group's operating income, excluding adjustment items from continuing operations, amounted to SEK 14,146 million (compared to SEK 14,781 million in 2017). Regulation

European Union

As Member States of the European Union (the "EU"), Sweden, Finland, Denmark, Lithuania, Latvia and Estonia are required to follow EU regulations and enact domestic legislation to give effect to EU directives. Norway is under some obligations as a party to the European Economic Area Agreement.

A new law (the "**European Electronic Communications Code**"), replacing the European Council's revised regulatory framework for electronic communications networks and services (the "**EU Communications Framework**"), was adopted in December 2018. This overhaul of the regulatory framework for the European telecommunications industry covers rules ranging from allocation of spectrum licences, investment conditions for roll-out of high capacity networks and access to networks of dominant operators to detailed consumer protection rules for different electronic communications services. No significant impact on Telia Company is envisaged compared to the old EU Communications Framework. All EU and EEA countries will need to fully implement the European Electronic Communications Code into national law by December 2020.

National regulatory authorities ("**NRAs**"), including those in the countries in which Telia Company operates, are expected to undertake a market analysis on the basis of markets listed in so-called Relevant Market Recommendations established by the European Commission (the "**Commission Recommendations**"). The present Commission Recommendation of October 2014 comprises four markets that the NRAs must analyse. NRAs then determine and designate companies having significant market power ("**SMP**") within those markets. They can also impose or maintain *ex ante* sector-specific obligations when *ex post* remedies of competition law are not adequate to meet the market problems identified. Possible obligations could include *inter alia* transparency, accounting separation, network access and price control. If a market is found to be effectively competitive, existing obligations should, according to the regulatory framework, be withdrawn. The European

Commission intends to review the Commission Recommendations during the course of 2019. The draft proposal reflects developments in case law and changes in the market, such as the transition from monopolistic to oligopolistic market structures in some countries. The European Commission aims to enhance predictability for all market participants and give practical guidance to NRAs on how to identify market failures and use the most effective regulatory measures, such as obligations to give wholesale access to competitors.

There are also special directives on electronic commerce, payment services and on a number of other areas of relevance to Telia Company's operations. The regulatory regimes in each of the aforesaid countries in which Telia Company operates are generally based on the requirements of the EU Communications Framework and other directives.

In 2007, the European Parliament and the European Council adopted a roaming regulation which introduced price caps on both wholesale and retail voice calls, data roaming and SMS, decreasing annually until 2016. Since June 2017 operators have not been allowed to apply any surcharges for retail roaming and "Roam-Like-At-Home" ("**RLAH**") has been introduced. In certain instances operators are allowed to apply a surcharge, namely when the customer has reached a so-called Fair-use-policy ("**FUP**"). The FUP will assist operators to prevent abuse and anomalous roaming usage. At the end of January 2017 the trilogue negotiations were finalised regarding the wholesale caps which will be applied from June 2017 until 2022. The BEREC benchmark report on international roaming (April-September 2017) includes information on RLAH implementation. It shows that RLAH has been a clear success for consumers (88% of active subscribers use RLAH) and also shows a significant increase in data roaming traffic (an increase of 435% in the year between Q3 2016 and Q3 2017). The report shows that wholesale rates (voice, SMS, data) are below regulated caps.

The EU regulation on cross-border portability of online content services in the internal market has applied since April 2018. Telia Company is required to enable effective access to online content to B2C customers when they are temporarily in another Member State. Taken together with new roaming rules, the regulation is very beneficial to the customers and allows Telia Company, as online content services provider, to foster innovation in online content services and attract more customers.

The Telecom Single Market Regulation, which covers RLAH, also addresses net neutrality. The net neutrality legislation is meant to ensure that users will be free to access the content of their choice. Internet access service providers will not be allowed to unfairly block or slow down internet traffic, and paid prioritisation will not be allowed. The law still permits Internet access providers to offer specialised services of higher quality, such as Internet TV and new innovative applications, so long as these services are not supplied at the expense of the quality of the open Internet. These obligations came into force on 30 April 2016. BEREC launched a consultation on net neutrality regulation and guidelines in March 2018. Stakeholders are, in particular, requested to provide use cases and clear examples regarding the introduction of new technologies (especially 5G) and their relationship to neutrality. The Telecom Single Market Regulation will be evaluated by the European Commission during the course of 2019 and BEREC will evaluate its guidelines.

In January 2012 the European Commission proposed a General Data Protection Regulation which was supported by the European Parliament on March 2014. The Regulation was finally adopted in April 2016 and came into force on 25 May 2018. The objective of the Regulation is to ensure Europeans get more control over their personal data, and make it easier for businesses to operate and innovate in the EU's Single Market under a harmonised set of rules. The new rules focus on strict accountability of data controllers and will be enforced by strict sanctions.

Implementation of EU Communications Framework

The national legislation implementing EU Directive 2014/61/EU on measures to reduce the cost of deploying high-speed electronic communications networks has been applied from July 2016. The

legislation on shared construction and shared use of infrastructure would oblige the communications and electricity network operators, as well as water supply and transport network operators, to agree to reasonable shared use or construction of networks. The collaborative obligation would apply to access to existing passive network infrastructures with reasonable terms and coordination of civil works. The directive will also oblige network operators and authorities to provide information on future network projects and for existing networks to be generally available through a centralised information service. The Directive is expected to be reviewed during 2019.

Sweden

In Sweden, the Act on Electronic Communications implements the legislation relating to the EU Communications Framework. Telia Company has SMP status on the wholesale markets for interconnection in the fixed network and in the mobile network and for network infrastructure access. The Swedish NRA ("**PTS**") has imposed obligations on all of these markets. On the market for network infrastructure access, PTS has imposed an obligation of non-discrimination based on Equivalence of Input, effective from 1 December 2016. At the same time, the price regulation on fibre access was withdrawn. PTS has started a new analysis on this market.

On the markets for terminating segments of leased lines and on the market for access to the public telephone network PTS has withdrawn the SMP status for Telia Company. However, the decisions has not yet gained legal force.

Finland

In Finland, Telia Company is subject to the Act on Electronic Communications Services and related regulations, decrees and administrative decisions which implement the EU Communications Framework. The Act on Electronic Communications Services integrates key provisions that apply to the communications industry under one Act.

Telia Company and its competitors are subject to varying SMP obligations in the following markets, where the Finnish NRA (Traficom) has issued SMP decisions: wholesale call termination on individual fixed public telephone networks, wholesale local access provided at fixed location, wholesale central access provided at a fixed location for mass-market products, wholesale high quality access provided at fixed location and wholesale voice call termination on individual mobile networks.

Other

In Denmark, Estonia, Latvia, Lithuania and Norway, Telia Company's companies have been found to have SMP status both in fixed and mobile markets.

Implementation of pricing restrictions such as fixed or cost-based pricing or other obligations imposed by the relevant NRAs on Telia Company in any of the jurisdictions it operates might have an adverse effect on its business, financial condition and results of operations.

Competition Laws

Telia Company is subject to the competition laws of the countries in which it operates, local competition laws and rules and EU competition laws. Companies breaching the competition rules may be forced to pay damages that can be substantial.

The European Union

The EU competition rules set out in the EC Treaty and EU legislation are binding on EU Member States and are therefore applicable to Telia Company's operations in the EU. If those rules are breached, the European Commission may impose fines of up to ten per cent of a company's revenues on a consolidated basis in the preceding financial year. The EU competition rules are applicable to restrictions on competition which may have an appreciable effect on trade between Member States.

So long as Sweden exercises a significant influence over Telia Company, the European Commission could bring proceedings against Telia Company directly, or bring proceedings against the Sweden, to ensure that Telia Company complies with EU competition rules. This means that Telia Company might face two different proceedings, the latter of which it could not directly influence and to which it would not be a party.

Given that the Swedish State holds, as at 31 March 2019, 37.3 per cent of Telia Company's outstanding shares, there is always a risk that Telia Company's competitors might allege that Telia Company's transactions with the Swedish State involve an element of state aid, or that the European Commission may launch a formal investigation of such a transaction on its own initiative. The European Commission has the power to order suspension of aid payments and require the recovery of aid already granted, including accrued interest. These rules do not apply when a state contributes capital in circumstances that would be acceptable to a private investor operating under normal market economy conditions.

The local competition authorities in the relevant markets where Telia Company is present are empowered to issue injunctions, and to enjoin a party to discontinue immediately practices that are not permitted under the local competition acts. The competition authorities and the NRAs can cooperate to facilitate investigations of anti-competitive behaviour in the telecommunications services sector.

International Obligations

Over 70 member countries of the World Trade Organisation have entered into a Basic Telecommunications Agreement ("**BTA**") to provide market access to some or all of their basic telecommunications services. The BTA took effect in February 1998. Signatories under the BTA have made commitments to provide "market access", requiring them to refrain from imposing certain quotas or other quantitative restrictions in specified telecommunications services sectors, and to provide "national treatment" by ensuring that foreign telecommunications service suppliers are accorded the same treatment as national service suppliers. In addition, a number of signatories, including Sweden and Finland, have agreed to abide by certain pro-competitive principles set forth in a reference paper relating to the prevention of anti-competitive behaviour, interconnection, universal service, transparency of licensing criteria, independence of the regulator and non-discriminatory allocation of scarce resources.

Investigations in relation to investments in Uzbekistan and review of transactions in Eurasia

In late 2012, the then Board of Directors appointed the Swedish law firm Mannheimer Swartling ("MSA") to investigate allegations of corruption related to Telia Company's investments in Uzbekistan. MSA's report was made public on 1 February 2013. In April 2013, the Board of Directors assigned the international law firm Norton Rose Fulbright ("NRF") to review transactions and agreements made in Eurasia by Telia Company in the past years with the intention to give the Board a clear picture of the transactions and a risk assessment from a business ethics perspective. For advice on implications under Swedish legislation, the Board appointed two Swedish law firms. In consultation with the law firms, Telia Company has promptly taken steps, and will continue to take steps, in its business operations as well as in its governance structure and with its personnel which reflect concerns arising from the review.

Since 2012 (by Swedish authorities) and since around 2014 (by US and Dutch authorities), Telia Company has been under investigation for suspected bribery-related conduct related mainly to its market entry into Uzbekistan in 2007. Telia Company has continuously cooperated fully with and supported the investigations and has engaged leading US and Dutch law firms as legal counsel for advice and support.

On 14 September 2016, Telia Company received a proposal from the US and the Dutch authorities for financial sanctions amounting to a total of approximately USD 1.45 billion or approximately SEK 12.5 billion at that point in time. As at 31 March 2017, a final resolution had not yet been reached, but in light of developments to that date in those discussions, the estimate of the most likely outcome was revised and the provision was adjusted to USD 1.0 billion (SEK 8.9 billion at that point in time). As at 30 June 2017, the provision remained unchanged at USD 1.0 billion corresponding to SEK 8.5 billion (the change was related to changed foreign exchange rate).

On 21 September 2017, Telia Company announced that a global settlement had been reached with the US Department of Justice ("DoJ"), Securities and Exchange Commission ("SEC") and the Dutch Public Prosecution Service (Openbaar Ministerie, "OM") relating to previously disclosed investigations regarding historical transactions in Uzbekistan. The US and Dutch authorities concluded that Telia Company's conduct was in violation of the US Foreign Corrupt Practices Act and Dutch legislation and that corrupt payments of approximately USD 330 million were made by Telia Company. As part of the settlements, Telia Company agreed to pay fines and disgorgements to the SEC, DoJ and OM in an aggregate amount of USD 965 million (SEK 7.7 billion at that point in time), of which USD 757 million (SEK 6,129 million) was paid during the third quarter of 2017. In addition, Telia Company's subsidiary in Uzbekistan, Coscom LLC, simultaneously entered a guilty plea with the DoJ. The disgorgement amount will be offset by up to USD 208.5 million against any future disgorgement obtained by the Swedish Prosecutor. Based on Telia Company's remediation and the state of its compliance programme, the authorities determined that an independent compliance monitor was unnecessary.

Telia Company has committed to continue to cooperate with the authorities in any other related investigation. Further, Telia Company has committed, during a three-year period, to report any potential corruption and to continue to enhance its compliance programme and internal controls. If Telia Company does not fulfill its commitments, an extension of the term may be imposed for up to one year. The authorities have agreed not to bring any criminal or civil case against Telia Company in the future based on historical events. The global settlement also brings an end to all known corruption related investigations or inquiries into Telia Company. However, the settlement does not provide any protection against prosecution for any future conduct by Telia Company.

The bank guarantee that was requested by the Dutch authorities from Telia Company of EUR 10 million as collateral for any financial claims against one of its Dutch subsidiaries has been released as part of the global settlement.

On 22 September 2017, the Swedish Prosecution Authority announced that it had decided to prosecute a number of former Telia Company employees. The authority also decided to initiate legal proceedings against Telia Company for a disgorgement. The disgorgement amount in the Swedish proceedings is already included in the global settlement of USD 965 million that Telia Company has reached with US and Dutch authorities. The Swedish prosecutor is not seeking a corporate fine against Telia Company (which under the Swedish Criminal Act can be levied up to a maximum amount of SEK 10 million per instance). With regard to the Swedish Prosecution Authority's decision, Telia Company will continue to consider all possibilities to protect its rights and interests.

The Swedish prosecutor made a public statement in May 2016 that it had decided not to investigate any other of Telia Company's operations in Eurasia.

On 15 February 2019, the Stockholm District Court gave its verdict in the Uzbekistan bribery case, and the former Telia Company employees were acquitted from all charges and the forfeiture claim against Telia Company was dismissed. Telia Company's involvement in this court case has been about which country the disgorgements from the Uzbek business will be paid to – the Netherlands, Sweden or the US. The prosecutor appealed the verdict, but the appeal has subsequently been withdrawn and the Stockholm District Court has decided to close the case. This meant that USD 208.5 million fell to be paid to OM. This payment was made on 19 March 2019. The amount paid will not have any additional net income effect for Telia Company since it was included in the global settlement that Telia Company reached in 2017 to pay fines and disgorgements in an aggregate amount of USD 965 million to the concerned authorities regarding historical transactions in Uzbekistan.

TAXATION

The Kingdom of Sweden

The following summary outlines Swedish tax consequences to holders of Notes who are not residents of the Kingdom of Sweden for income tax purposes. Purchasers are urged to consult their professional advisers as to the tax consequences of holding or transferring Notes.

Under Swedish tax law as presently in effect, payments of any principal or interest to the holder of any Note will not be subject to Swedish income tax, provided that such holder (1) is not resident in Sweden for income tax purposes, (2) does not carry on trade or business activities in Sweden where the payments of principal or interest are attributable to a permanent establishment in Sweden or (3) is an estate which is not tax liable in Sweden.

A private individual is generally deemed tax resident in Sweden if he (a) has his principal home in Sweden or (b) has his habitual abode in Sweden or (c) earlier has been having his principal home in Sweden and after having moved abroad continues to have an essential connection with Sweden for tax purposes (for example is engaged in trade or business in Sweden).

Swedish law does not impose a withholding tax on payments of principal or interest. Provided that the holder of a Note is not liable to tax in Sweden, the intermediary of the payment of principal and/or interest is still obliged to notify the Swedish tax authorities of payments exceeding SEK 150,000 per entity per year to any such holder. Under Swedish law, capital gains on the disposal of Notes will not be subject to Swedish income tax provided that the holder (1) is not resident in Sweden for income tax purposes, (2) does not hold the Notes as assets involved in trade or business activities in Sweden where the capital gains are attributable to a permanent establishment or (3) is an estate which is not tax liable in Sweden. There is no net wealth tax in Sweden.

Foreign Account Tax Compliance Act

Pursuant to certain provisions of the U.S. Internal Revenue Code of 1986, commonly known as FATCA, a "**foreign financial institution**" (as defined by FATCA) may be required to withhold on certain payments it makes ("**foreign passthru payments**") to persons that fail to meet certain certification, reporting or related requirements. The Issuer may be a foreign financial institution for these purposes. A number of jurisdictions (including the Kingdom of Sweden) have entered into, or have agreed in substance to, intergovernmental agreements with the United States to implement FATCA ("**IGAs**"), which modify the way in which FATCA applies in their jurisdictions. Under the provisions of IGAs as currently in effect, a foreign financial institution in an IGA jurisdiction would generally not be required to withhold under FATCA or an IGA from payments that it makes. Certain aspects of the application of the FATCA provisions and IGAs to instruments such as Notes, including whether withholding would ever be required pursuant to FATCA or an IGA with respect to payment on instruments such as Notes, are uncertain and may be subject to change. Even if withholding would be required pursuant to FATCA or an IGA with respect to payments on instruments such as Notes, such withholding would not apply prior to the date that is two years after the date on which final regulations defining foreign passthru payments are published in the U.S. Federal Register and Notes characterised as debt (or which are not otherwise characterised as equity and have a fixed term) for U.S. federal tax purposes that are issued on or prior to the date that is six months after the date on which final regulations defining foreign passthru payments are filed with the U.S. Federal Register generally would be grandfathered for purposes of FATCA withholding unless materially modified after such date (including by reason of a substitution of the Issuer). However, if additional Notes (as described under "*Terms and Conditions of the Notes – Further Issues*") that are not distinguishable from previously issued Notes are issued after the expiration of the grandfathering period and are subject to withholding under FATCA, then withholding agents may treat all Notes, including the

Notes offered prior to the expiration of the grandfathering period, as subject to withholding under FATCA. Holders should consult their own tax advisers regarding how these rules may apply to their investment in Notes. In the event any withholding would be required pursuant to FATCA or an IGA with respect to payments on the Notes, no person will be required to pay additional amounts as a result of the withholding.

The proposed financial transactions tax ("FTT")

On 14 February 2013, the European Commission published a proposal (the "**Commission's Proposal**") for a Directive for a common FTT in Belgium, Germany, Estonia, Greece, Spain, France, Italy, Austria, Portugal, Slovenia and Slovakia (the "**participating Member States**"). However, Estonia has since stated that it will not participate.

The Commission's Proposal has very broad scope and could, if introduced, apply to certain dealings in Notes (including secondary market transactions) in certain circumstances. The issuance and subscription of Notes should, however, be exempt.

Under the Commission's Proposals the FTT could apply in certain circumstances to persons both within and outside of the participating Member States. Generally, it would apply to certain dealings in Notes where at least one party is a financial institution, and at least one party is established in a participating Member State. A financial institution may be, or be deemed to be, "established" in a participating Member State in a broad range of circumstances, including (a) by transacting with a person established in a participating Member State or (b) where the financial instrument which is subject to the dealings is issued in a participating Member State.

However, the FTT proposal remains subject to negotiation between the participating Member States. It may therefore be altered prior to any implementation, the timing of which remains unclear. Additional EU Member States may decide to participate.

Prospective holders of Notes are advised to seek their own professional advice in relation to the FTT.

Luxembourg Taxation

The following information is of a general nature only and is based on the laws presently in force in Luxembourg, though it is not intended to be, nor should it be construed to be, legal or tax advice. The information contained within this section is limited to Luxembourg withholding tax issues and prospective investors in the Notes should therefore consult their own professional advisers as to the effects of state, local or foreign laws, including Luxembourg tax law, to which they may be subject.

Please be aware that the residence concept used under the respective headings below applies for Luxembourg income tax assessment purposes only. Any reference in the present section to a withholding tax or a tax of a similar nature, or to any other concepts, refers to Luxembourg tax law and/or concepts only.

Withholding Tax

(i) Non-resident holders of Notes

Under Luxembourg general tax laws currently in force, there is no withholding tax on payments of principal, premium or interest made to non-resident holders of Notes, nor on accrued but unpaid interest in respect of the Notes, nor is any Luxembourg withholding tax payable upon redemption or repurchase of the Notes held by non-resident holders of Notes.

(ii) *Resident holders of Notes*

Under Luxembourg general tax laws currently in force and subject to the law of 23 December 2005 as amended (the "**Relibi Law**") mentioned below, there is no withholding tax on payments of principal, premium or interest made to Luxembourg resident holders of Notes, nor on accrued but unpaid interest in respect of Notes, nor is any Luxembourg withholding tax payable upon redemption or repurchase of Notes held by Luxembourg resident holders of Notes.

Under the Relibi Law payments of interest or similar income made or ascribed by a paying agent established in Luxembourg to an individual beneficial owner who is resident in Luxembourg will be subject to a withholding tax of 20 per cent. Such withholding tax will be in full discharge of income tax if the beneficial owner is an individual acting in the course of the management of his/her private wealth. Responsibility for the withholding of the tax will be assumed by the Luxembourg paying agent. Accordingly, payments of interest under the Notes coming within the scope of the Relibi Law will be subject to withholding tax at a rate of 20 per cent.

SUBSCRIPTION AND SALE

The Dealers have in an amended and restated programme agreement (such programme agreement as modified and/or supplemented and/or restated from time to time, "**Programme Agreement**") dated 8 May 2019 agreed with the Issuer a basis upon which they or any of them may from time to time agree to purchase Notes. Any such agreement will extend to those matters stated under "*Form of the Notes*" and "*Terms and Conditions of the Notes*" above. In the Programme Agreement, the Issuer has agreed to reimburse the Dealers for certain of their expenses in connection with the establishment of the Programme and the issue of Notes under the Programme.

United States

The Notes have not been and will not be registered under the Securities Act and may not be offered or sold within the United States or to, or for the account or benefit of, U.S. persons except in certain transactions exempt from the registration requirements of the Securities Act. Terms used under this heading have the meanings given to them by Regulation S under the Securities Act.

Each Dealer has represented and agreed, and each further Dealer appointed under the Programme will be required to represent and agree, that except as permitted by the Programme Agreement, it will not offer, sell or deliver Notes (i) as part of their distribution at any time and (ii) otherwise until 40 days after the completion of the distribution, as determined and certified by the relevant Dealer or, in the case of an issue of Notes on a syndicated basis, the relevant lead manager, of all Notes of the Tranche of which such Notes are a part, within the United States or to, or for the account or benefit of, U.S. persons and it will have sent to each dealer to which it sells Notes during the distribution compliance period a confirmation or other notice setting forth the restrictions on offers and sales of the Notes within the United States or to, or for the account or benefit of, U.S. persons.

In addition, until 40 days after the commencement of the offering of any Series of Notes, an offer or sale of such Notes within the United States by any dealer (whether or not participating in the offering) may violate the registration requirements of the Securities Act if such offer or sale is made otherwise than in accordance with an available exemption from registration under the Securities Act.

The Notes (other than VPS Notes) are subject to U.S. tax law requirements and may not be offered, sold or delivered within the United States or its possessions or to a United States person, except in certain transactions permitted by U.S. Treasury regulations. Terms used in this paragraph have the meanings given to them by the U.S. Internal Revenue Code of 1986 and Treasury regulations promulgated thereunder. The applicable Final Terms will identify whether TEFRA C rules or TEFRA D rules apply or whether TEFRA is not applicable.

Prohibition of sales to EEA Retail Investors

Unless the Final Terms in respect of any Notes specifies "Prohibition of Sales to EEA Retail Investors" as "Not Applicable", each Dealer has represented and agreed, and each further Dealer appointed under the Programme will be required to represent and agree, that it has not offered, sold or otherwise made available and will not offer, sell or otherwise make available any Notes which are the subject of the offering contemplated by this Prospectus as completed by the Final Terms in relation thereto to any retail investor in the EEA.

For the purposes of this provision the expression "**retail investor**" means a person who is one (or more) of the following:

- (a) a retail client as defined in point (11) of Article 4(1) of MiFID II; or

The expression an "**offer**" includes the communication in any form and by any means of sufficient information on the terms of the offer and the Notes to be offered so as to enable an investor to decide to purchase or subscription the Notes.

If the Final Terms in respect of any Notes specifies "Prohibition of Sales to EEA Retail Investors" as "Not Applicable", in relation to each Member State of the European Economic Area which has implemented the Prospectus Directive (each, a "**Relevant Member State**"), each Dealer has represented, warranted and agreed, and each further Dealer appointed under the Programme will be required to represent, warrant and agree, that with effect from and including the date on which the Prospectus Directive is implemented in that Relevant Member State (the "**Relevant Implementation Date**") it has not made and will not make an offer of Notes which are the subject of the offering contemplated by this Prospectus as completed by the Final Terms in relation thereto to the public in that Relevant Member State except that it may, with effect from and including the Relevant Implementation Date, make an offer of such Notes to the public in that Relevant Member State:

- (a) at any time to any legal entity which is a qualified investor as defined in the Prospectus Directive;
- (b) at any time to fewer than 150 natural or legal persons (other than qualified investors as defined in the Prospectus Directive) subject to obtaining the prior consent of the relevant Dealer or Dealers nominated by the Issuer for any such offer; or
- (c) at any time in any other circumstances falling within Article 3(2) of the Prospectus Directive,
- (d) provided that no such offer of Notes referred to in (a) to (c) above shall require the Issuer or any Dealer to publish a prospectus pursuant to Article 3 of the Prospectus Directive or supplement a prospectus pursuant to Article 16 of the Prospectus Directive.

For the purposes of this provision:

- (a) the expression an "**offer of Notes to the public**" in relation to any Notes in any Relevant Member State means the communication in any form and by any means of sufficient information on the terms of the offer and the Notes to be offered so as to enable an investor to decide to purchase or subscribe the Notes, as the same may be varied in that Member State by any measure implementing the Prospectus Directive in that Member State; and
- (b) the expression "**Prospectus Directive**" means Directive 2003/71/EC as amended or superseded and includes any relevant implementing measure in the Relevant Member State.

acquiring, holding, managing or disposing of investments (as principal or as agent) for the purposes of their businesses or who it is reasonable to expect will acquire, hold, manage or dispose of investments (as principal or agent) for the purposes of their businesses where the issue of the Notes would otherwise constitute a contravention of Section 19 of the Financial Services and Markets Act 2000 ("FSMA") by the Issuer;

- (ii) it has only communicated or caused to be communicated and will only communicate or cause to be communicated an invitation or inducement to engage in investment activity (within the meaning of Section 21 of the FSMA) received by it in connection with the issue or sale of any Notes in circumstances in which Section 21(1) of the FSMA does not apply to the Issuer; and
- (iii) it has complied and will comply with all applicable provisions of the FSMA with respect to anything done by it in relation to any Notes in, from or otherwise involving the United Kingdom.

Belgium

Other than in respect of Notes for which "Prohibition of Sales to Belgian Consumers" is specified as "Not Applicable" in the applicable Final Terms, each Dealer has represented and agreed, and each further Dealer appointed under the Programme will be required to represent and agree, that an offering of Notes may not be advertised to any individual in Belgium qualifying as a consumer within the meaning of Article I.1 of the Belgian Code of Economic Law, as amended from time to time (a "**Belgian Consumer**") and that it has not offered, sold or resold, transferred or delivered, and will not offer, sell, resell, transfer or deliver, the Notes, and that it has not distributed, and will not distribute, any prospectus, memorandum, information circular, brochure or any similar documents in relation to the Notes, directly or indirectly, to any Belgian Consumer.

Each Dealer has agreed, and each further Dealer appointed under the Programme will be required to agree, that it will comply with all applicable securities laws and regulations in force in any jurisdiction in which it purchases, offers, sells or delivers Notes or possesses or distributes this Prospectus and will obtain any consent, approval or permission required by it for the purchase, offer, sale or delivery by it of Notes under the laws and regulations in force in any jurisdiction to which it is subject or in which it makes such purchases, offers, sales or deliveries and none of the Issuer and any other Dealer shall have any responsibility therefor.

None of the Issuer and any of the Dealers represents that Notes may at any time lawfully be sold in compliance with any applicable registration or other requirements in any jurisdiction, or pursuant to any exemption available thereunder, or assumes any responsibility for facilitating such sale.

Legal and Administrative Proceedings

In its normal course of business, Telia Company is involved in a number of legal proceedings. These proceedings primarily involve claims arising out of commercial law issues and matters relating to telecommunications regulations and competition law. Further, Telia Company is involved in some proceedings related to interconnect fees, which could affect revenues.

In addition, there is an ongoing disgorgement proceeding in Sweden regarding Telia Company's operations in Uzbekistan and suspected irregularities related to those and to the market entry into Uzbekistan.

Except for the proceedings described below, Telia Company or its subsidiaries are not involved in any legal, arbitration or regulatory proceedings which management believes could have a material adverse effect on Telia Company's business, financial condition or results of operations.

Telia Company is also subject to the competition laws of the countries in which it operates, local competition laws and EU competition laws which may result in investigations, which if determined adversely to Telia Company could result in the payment of damages. During the second half of 2001, a number of operators filed complaints against Telia Company with the Swedish Competition Authority (the "**Competition Authority**"). The Competition Authority initiated an investigation regarding Telia Company's pricing of ADSL services. In December 2011, it was finally decided that Telia Company had abused its dominant position and Telia Company has paid a fine of SEK 35 million. The two operators Tele2 and Spray Network (now Yarps Network Services AB) sued Telia Company for damages they alleged had been caused by the abuse in 2005 and 2006 respectively. The court of first instance ruled against Telia Company and awarded the plaintiffs damages amounting to

SEK 305 million plus interest in total. During 2017 the Court of Appeal ruled in Telia Company's favour and dismissed the damages claims.

In 2005, Telia Company and Çukurova signed an agreement regarding Telia Company's purchase of shares in Turkcell Holding A.S. from Çukurova. As Çukurova subsequently did not honour the agreement, Telia Company brought legal action. On 1 September 2011, an International Chamber of Commerce (ICC) Arbitral Tribunal awarded Telia Company USD 932 million in damages, plus interest and costs, for Çukurova's failure to deliver the Turkcell Holding shares as required under the share purchase agreement. Due to the refusal of Çukurova to honour the ICC award, Telia Company conducts legal action to pursue enforcement of the award. In parallel, Çukurova pursues legal actions against Telia Company with the aim to revert the ICC award or to refute its enforceability. Telia Company continues to vigorously pursue collection of the ICC award. Telia Company has not recorded any award amount receivable in the financial statements. Following an agreement with Alfa Telecom (now LetterOne) signed in November 2009, LetterOne is under certain circumstances entitled to receive part of the damages amount set out in the ICC award, if such funds will be successfully collected.

On 25 April 2017, the European Commission launched an inspection, together with officials from the Swedish Competition Authority, at Telia Sweden's office in Solna regarding questions about coordinated market behaviour by Telia Sweden and other mobile network operators on the Swedish mobile wholesale market. Telia Sweden is cooperating fully with the European Commission.

Dealers transacting with the Issuer

Certain of the Dealers and their affiliates may have engaged, and may in the future engage, in investment banking and/or commercial banking transactions with, and may perform services to, the Issuer and its affiliates in the ordinary course of business. Certain of the Dealers and their affiliates may have positions, deal or make markets in the Notes issued under the Programme, related derivatives and reference obligations, including (but not limited to) entering into hedging strategies on behalf of the Issuer and its affiliates, investor clients, or as principal in order to manage their exposure, their general market risk, or other trading activities.

In addition, in the ordinary course of their business activities, the Dealers and their affiliates may make or hold a broad array of investments and actively trade debt and equity securities (or related derivative securities) and financial instruments (including bank loans) for their own account and for the accounts of their customers. Such investments and securities activities may involve securities and/or instruments of the Issuer or Issuer's affiliates. Some of the Dealers or their affiliates that have a lending relationship with the Issuer routinely hedge their credit exposure to the Issuer consistent with their customary risk management policies. Typically, such Dealers and their affiliates would hedge such exposure by entering into transactions which consist of either the purchase of credit default swaps or the creation of short positions in securities, including potentially the Notes issued under the Programme. Any such short positions could adversely affect future trading prices of Notes issued under the Programme. The Dealers and their affiliates may also make investment recommendations and/or publish or express independent research views in respect of such securities or financial instruments and may hold, or recommend to clients that they acquire, long and/or short positions in such securities and instruments.

Conditions for determining price

The price and amount of Notes to be issued under the Programme will be determined by the Issuer and each relevant Dealer at the time of issue in accordance with prevailing market conditions.
